Everyday Options Account

Our Everyday Options Account is a day to day banking account with unlimited fee free Suncorp Bank transactions and a choice of access options. Our Everyday Options Account can be operated as a stand-alone account. In addition, it can have up to nine linked Sub-accounts which can be used for separating your funds.

Everyday Options Sub-Accounts

You cannot operate Sub-accounts on their own. Each Sub-account must be linked to your main Everyday Options Account. Sub-accounts can only be opened in the same name or names as the main Everyday Options Account.

Sub-accounts can be accessed via Telephone, Mobile Phone and Internet Banking

You can set up internal and external¹ transfers, BPAY®, Direct Debit and Direct Credit transactions and check your account balances and transaction history. You cannot use a card or cheque on a Sub-account.

If you want to withdraw cash from a Sub-account, you simply transfer money using Telephone, Mobile Phone or Internet Banking into your main Everyday Options Account, then withdraw it as you would normally.

To deposit money into a Sub-account, an electronic credit can be arranged into the account eg. direct salary credit or direct credit transfer. Cash and/or cheques can be deposited into the Sub-account at any Suncorp Bank branch.

Each quarter, you will receive one convenient combined statement that shows account balances and transactions for your Everyday Options Account and all your Sub-accounts. You can request statements monthly or six monthly at no additional charge.

Interest Modes

Everyday Options Accounts operate in two modes:

- credit interest mode – which pays a rate of interest on credit balances; OR
- offset mode – which is a 100% home loan offset facility.

All Everyday Options Accounts and linked Sub-accounts must operate in the same mode.

Credit Interest Mode

In credit interest mode, a standard rate of interest is paid on the total of all the credit balances in your accounts, less any flexiRate balances. The Sub-account interest rate is different to the rate of interest on the Everyday Options main account. Interest is calculated daily on the end-of-day balances and paid into your Sub-account every month and your main account every six months.

1. External transfers only available via Internet Banking.

Offset Mode

Before your accounts can operate in offset mode you need to ask us to link your Everyday Options Account to an eligible Suncorp Bank home loan. Once linked, you can use your accounts as a 100% offset facility to reduce the interest on your linked home loan. If you have Sub-accounts, the combined balances will be used to calculate the 100% offset benefit.

The main and Sub-account/s must be in the same name as the eligible Suncorp Bank home loan in order to link them. A mortgage offset fee applies the first time you link the Everyday Options Account to an eligible Suncorp Bank home loan.

The monthly account keeping fee will be waived when your Everyday Options Accounts are operating in offset mode.

When in Offset mode, we **do not** pay you interest on any credit balance in your Everyday Options Account/s. Instead, we deduct the combined balance in all of your Everyday Options Accounts from the amount you owe on your linked home loan then calculate the interest charge on the reduced balance of your linked home loan ("the offset benefit"). The offset benefit is calculated daily at the time that the linked home loan interest is calculated. This may not be on the end-of-day balance. The linked home loan interest may be processed before the end-of-day. Any offset benefit is applied when interest is debited to your linked home loan.

The offset benefit will not show on your Everyday Options statement but the interest saved will be shown on the linked home loan statement.

Your home loan officer can advise if your loan is eligible or alternatively you can contact us on 13 11 55 to find out. If you change your loan so that it no longer meets the criteria of an eligible Suncorp Bank home loan, eg if you change your loan type, your account/s will be switched automatically from offset mode to credit interest mode. This means that:

- you will receive no offset benefit during the period that your loan is not an eligible Suncorp Bank home loan; but
- credit interest will be paid automatically on the credit balances of your Everyday Options Account/s.

The offset link will remain and will be re-activated automatically if your loan is changed so that it meets the criteria of an eligible Suncorp Bank home loan. You will not have to pay another offset linking fee.

If you pay out your home loan you will receive no offset benefit. Your accounts will be automatically switched to credit interest mode. This means that credit interest will be paid on the credit balances of your Everyday Options Account/s.

When your account is in offset mode, you still have the option to set up flexiRates on your Sub-account/s. In this instance, you will earn credit interest on the amount of your flexiRates, and the remainder of your Everyday Options Account/s balances will offset your home loan.

Example:

The table below illustrates two examples of how credit balances in Everyday Options Accounts operate in offset mode and affect the interest payable on a linked home loan.

Balance of Everyday Options Accounts	Amount of Linked Home Loan	We Will
Main Account = \$2000 Combined Sub-accounts = \$20,000	\$122,000	<ul style="list-style-type: none"> • Use combined account balance of \$22,000 to calculate offset benefit • Pay you no interest on the \$2,000 in the main account • Pay you no interest on the \$20,000 credit balance in your Everyday Options Sub-account/s • Not charge interest on \$22,000 of your Linked Home Loan balance • Charge interest on the remaining \$100,000 of your Linked Home Loan balance.
Main Account = \$2000 Combined Sub-accounts = \$20,000	\$15,000	<ul style="list-style-type: none"> • Use \$15,000 of the \$22,000 combined account balance to calculate offset benefit • Pay you no interest on any part of the credit balance (including the \$7,000 amount by which the balance of your Everyday Options Account/s exceeds the balance in your Linked Home Loan) in your Everyday Options Account/s • Not charge you interest on the total balance of \$15,000 of your linked home loan.
Main Account = \$2000 Combined Sub-accounts = \$20,000	\$112,000	<ul style="list-style-type: none"> • Use combined account balance of \$12,000 to calculate offset benefit (\$22,000 total minus \$10,000 flexiRates) • Pay you no interest on the \$2,000 in the main account • Pay you credit interest on the \$10,000 in flexiRates • Pay you no interest on the remaining \$10,000 in your Sub-accounts • Not charge interest on \$12,000 of your linked home loan balance • Charge interest on the remaining \$100,000 of your linked home loan balance.

Kids Savings Account

The Kids Savings Account is a bank account designed for the specific benefit of personal customers under 18 years of age.

The account will be opened in the name of the personal customer under the age of 18 years who is referred to as “the Child”.

If the Child is under 12 years of age:

- A parent/guardian or other adult must give their consent to opening the account;
- The parent/guardian or other adult will have full access to operate the account. The Child is not permitted to transact on this account.

If the child is 12 years of age or older, the account can be opened and operated on by the Child either solely or as a shared account with a parent/guardian or other adult.

Funds in the Kids Savings Account are “At Call” and can be accessed at the branch or via Telephone, Mobile Phone and Internet Banking. Card access, cheque, external transfers, BPAY® and direct debits are not available on a Kids Savings Account.

There is no minimum or maximum balance requirement for the account and there are no monthly account keeping fees or transaction fees.

To deposit money into a Kids Savings Account, an electronic credit can be arranged into the account eg. direct credit transfer. Cash and/or cheques can be deposited into the Kids Savings Account at any Suncorp Bank branch.

To withdraw money from a Kids Savings Account, transfer money using Telephone, Mobile Phone or Internet Banking into another Suncorp Bank Account, then withdraw it as you would normally or access the funds at the branch

Interest is calculated daily on the whole of the credit balance at the end of the day and paid monthly. As a savings account, bonus interest can be earned each month if:

- at least \$20.00 is deposited into the account each month; and
- no more than one withdrawal (including a transfer of funds to another Suncorp Bank Account or branch withdrawal) is made from the account each month.

Statements are issued monthly. You can request statements quarterly or six monthly at no additional charge.

On turning 18 years of age, the Child will no longer be eligible to hold a Suncorp Bank Kids Savings Account. At this time, we will convert the Kids Savings Account to an Everyday Basics Account. We will write to you prior to the conversion.

Everyday Basics Account

The Everyday Basics Account is a bank account that can be used as an everyday transaction account with no monthly account keeping fees or Suncorp Bank transaction fees.

The Everyday Basics Account can be operated as a stand-alone account.

There is no minimum balance requirement when you open the account.

As an everyday transaction account you can make deposits and withdrawals. Your funds are “At Call” which means you can access your money at any time our banking facilities are available. Staff can assist you to access your funds at the branch. You can transact electronically through Telephone Banking, Mobile Phone Banking, Internet Banking or using BPAY®, direct debits and direct credits, or using your card at ATMs and EFTPOS facilities.

Statements are issued quarterly. You can request a statement monthly or six monthly at no additional charge.

The Fee waiver available on this account is the Accessibility Waiver. For more information refer to page 19.

eOptions

The eOptions Account is a high interest, online savings account with no monthly account keeping fees or transaction fees.

Variable interest (standard interest) is paid on every dollar in your account unless you choose to setup flexiRates, which allow you to fix the interest rate applying to a portion of your balance for a set period. If you set up flexiRates, the standard rate of interest will be paid on the credit balance of your account less any flexiRate balances.

There is no minimum balance requirement to open the account or earn interest.

eOptions Accounts can be accessed via Telephone, Mobile Phone and Internet Banking. You can set up internal and external transfers, BPAY®, Direct Debit and Direct Credit transactions and check your account balances and transaction history.

You cannot use a card or cheque on an eOptions Account and you are not able to directly withdraw cash. If you want to access cash from an eOptions Account, you simply transfer money from your eOptions Account using Telephone, Mobile Phone and Internet Banking into your everyday transaction account, then withdraw cash from your everyday transaction account as you would normally.

If you want to deposit money into an eOptions Account, you can arrange a direct credit into your account eg. salary credit or a direct funds transfer. You can also deposit cash or cheques at any Suncorp Bank branch.

Joint eOptions Accounts, opened by two individuals as joint applicants, cannot be setup to require both parties to authorise transactions or provide instructions.

Each quarter, you will receive a statement that shows account balances and transactions for your eOptions Account. You can request statements monthly or six monthly at no additional charge.

Cash Management Account

Our Cash Management Account is a bank account that allows deposits and withdrawals and offers unlimited fee free Suncorp Bank transactions with card and cheque access.

Interest on the account is tiered and is calculated daily on end-of-day credit balances and paid monthly.

A monthly account keeping fee applies but this is waived if you are eligible for a Relationship Waiver. For more information refer to page 19.

There is no minimum balance requirement when you open the account.

Your funds are "At Call" which means you can access your money at any time our banking facilities are available. Staff can assist you to access your funds at the branch or you can transfer electronically through Telephone, Mobile Phone and Internet Banking, or using BPAY®, Direct Debits and Credits, or using your card at ATMs and EFTPOS facilities.

Statements are issued quarterly. You can request statements monthly or six monthly at no additional charge.

55 Plus Account

The 55 Plus Account is a bank account that allows deposits and withdrawals and offers unlimited fee free Suncorp Bank transactions and has no monthly account keeping fees.

The account is available to personal customers who are aged 55 and over. In the case of joint accounts, one of the account holders must be over 55. An account cannot be opened in trust for another person. The account is also available to personal customers who are eligible for the Accessibility Waiver. Refer to page 19 for more information. You can have up to three 55 Plus Accounts.

The interest rate tiers for the 55 Plus Account are structured according to the Federal Government's deeming thresholds except for the first tier. We will automatically change our second and third tiers in line with any changes the government makes to the deeming thresholds. Interest is calculated daily on the end of day credit balances and paid monthly. Stepped interest applies.

Your funds in the 55 Plus Account are "At Call" which means you can access your money at any time our banking facilities are available. Staff can assist you to access your funds at the branch or you can transfer electronically through Telephone, Mobile Phone and Internet Banking, or using BPAY®, Direct Debits and Credits, or using your card at ATMs and EFTPOS facilities. Bank cheques are free from the 55 Plus Account.

Statements are issued quarterly. You can request statements monthly or six monthly at no additional charge. You can choose to record your transactions in a passbook. If this is the case, you will not have electronic access to your funds.

flexiRates

flexiRates allow you to fix the interest rate applying to a portion of your balance for a set period of time.

flexiRate interest is calculated daily and paid when the flexiRate period ends.

Interest	
How is flexiRate interest calculated?	whole of flexiRate Balance ¹
When is flexiRate interest calculated?	daily
When is flexiRate interest paid?	flexiRate end date

1. Refer to page 15 for full details of How is Interest Calculated?

flexiRates can only be setup and managed via Suncorp Internet Banking. To setup a flexiRate, you nominate the amount you wish to fix, and select a period of time and interest rate from the available options. There is no minimum or maximum flexiRate balance – the only limit is the available funds you have in your account.

Once setup, you cannot access funds in a flexiRate until it is released. flexiRate funds remain in your account, but your available balance is reduced by the total amount of your flexiRate funds. You will be able to access your flexiRate funds the day following your nominated end date.

Alternatively, you may be able to choose to automatically renew your flexiRate for the same period, subject to this option being available in Internet Banking for your chosen flexiRate period. This option will automatically renew your flexiRate for an identical period when your nominated end date is reached. The interest rate you will receive will be the current rate for the applicable flexiRate period when the flexiRate renews. You can change your renewal instructions via Internet Banking at any time before 7pm EST on the day your flexiRate is due to end, subject to system availability.

You can have up to fifteen flexiRates on an account at any one point in time.

All current flexiRates will show on your account statement, along with the applicable start and end dates, balances and interest rates.

Early Release of flexiRates

Subject to our agreement, early release allows you to end your flexiRate period before the end date you nominated, enabling you to access your funds. You cannot release a portion of your flexiRate balance – you can only release the entire flexiRate balance. As flexiRate interest is calculated for a fixed term, there is an interest adjustment that occurs if the flexiRate is released early. You will lose a proportion of the interest earned to the date you release your flexiRate.

The interest adjustment is made according to the proportion of the term completed as outlined in the table below. The interest adjustment specified in the table is the percentage of the interest earned to date that you will lose in the event we agree to you releasing your flexiRate early. The amount of the interest adjustment applied will depend on how early in the term you request to release your funds.

The interest adjustment does not impact on your original flexiRate balance. It simply reduces the amount of interest you will receive.

Proportion of Your flexiRate Period Completed	Interest Adjustment
0% – 25%	80% of the interest earned up to the early release date
26% – 50%	60% of the interest earned up to the early release date
51% – 75%	40% of the interest earned up to the early release date
76% – 100%	20% of the interest earned up to the early release date

Example:

You have a flexiRate of \$1,000 invested for a period of 6 months (180 days) at 5.00% per annum. If you release the flexiRate after 4 months (120 days), the proportion of the period completed is 67% (120/180 days x 100).

From the table above, you can determine that the interest adjustment is 40% of the interest earned to date.

$$\begin{aligned} \text{Interest earned for 120 days} &= \text{Principal} \times \text{Interest Rate per day} \times \text{Number of days} \\ &= \$1000 \times \frac{5.0}{100} \times \frac{1}{365} \times 120 \\ &= \$16.44 \end{aligned}$$

$$\begin{aligned} \text{Interest Adjustment} &= 40\% \text{ of } \$16.44 \\ &= \$6.58 \end{aligned}$$

$$\begin{aligned} \text{Interest to be paid} &= \$16.44 - \$6.58 \\ &= \$9.86 \end{aligned}$$

General Information on Interest

Current interest rates are not included in this document because they are subject to change.

Current interest rates are available:

- by picking up our current Interest Rate Brochure from your nearest Suncorp Bank branch; or
- by calling us on 13 11 55; or
- by visiting our website suncorp.com.au.

Changes to the standard rate of interest (variable interest rate) are advertised in the national press on or before the date the interest rate is changed.

You can request a change to the destination account for your credit interest on your Suncorp Bank Personal Deposit Accounts. Redirection of credit interest can only be to another Suncorp Bank account.

If you choose to redirect your credit interest to a different account, please remember that the interest has been earned on the original account and must be declared by the owner/s of that account.

Depending on your personal circumstances you may have to pay income tax on any interest earned. You should seek independent external taxation advice in this regard.

How is Interest Calculated?

A standard rate of interest (variable interest rate) is paid on the total of all the credit balances in your account, less any flexiRate balances. Interest on Suncorp Bank Personal Deposit Accounts is calculated daily on the end of day balances, and paid into your account every month, quarter or six months depending on the product type.

If you prefer you can request that no interest is accrued and paid on credit balances in your Everyday Options main account by contacting us.

The method of calculating interest depends on the type of account. The different methods are:

- **Whole of balance.** Interest is paid on the whole of the credit balance in your account. For example, the Everyday Options Account pays interest on a whole of balance basis. flexiRates apply to the nominated portion of your balance for a set period of time which is calculated daily and paid when the flexiRate period ends.
- **Whole of flexiRates balance** applies to the nominated portion of your balance for a set period of time which is calculated daily and paid when the flexiRate period ends.
- **Stepped.** Interest is based on a number of set dollar ranges, each having an applicable standard interest rate. You are paid interest for that part of your account balance that falls within each range, at the rate applicable to that range. For example, the 55 Plus Account pays interest on a stepped basis.
- **Tiered.** Interest is based on a number of set dollar ranges, each having an applicable standard interest rate. When the credit balance exceeds set levels the interest rate for that tier will apply to the whole account balance. For example, the Cash Management Account pays interest on a tiered basis.

- **Bonus.** Bonus interest is paid on the whole of the credit balance in the account depending on the value and/or number of deposits and withdrawals made during the month. For example, the Everyday Saver Account can pay bonus interest.

How is Stepped or Tiered Interest Calculated?

The information below provides an example of how stepped and tiered interest for an account with 3 interest tiers is calculated.

- \$0 – \$1,999 X%
- \$2,000 – \$24,999 Y%
- \$25,000 + Z%

With **stepped interest**, a customer with a credit balance in their account of \$30,000 gets X% interest on the first \$1,999 and Y% interest on the amount from \$2,000 to \$24,999 and Z% interest on the amount from \$25,000 to \$30,000.

With **tiered interest**, a customer with a credit balance in their account of \$30,000 gets Z% interest on the whole balance.

Handy tips to save on fees

Most Suncorp Bank Deposit Accounts provide an unlimited number of fee free Suncorp Bank transactions. Depending on the way you transact on your account, you may incur other fees. Avoiding bank fees could be easier than you think. The following information provides you with a few simple tips that can help you save on fees and help you get the most from your everyday banking with Suncorp Bank.

Fee	Ways to save on fees
<p>Payment Honour Fee Applies if we allow a transaction initiated by you to overdraw your account. For example, a personal cheque, direct debit payment, Visa debit transaction, in branch withdrawal, EFTPOS or ATM withdrawal etc.</p> <p>Dishonour Fee – Cheque, Direct Debit Applies if there are insufficient or unavailable funds in your account to cover a personal cheque or direct debit payment and as a result the transaction is unsuccessful.</p>	<p>Automatic Sweep Set up a 'Sweep' (automatic transfer) between your accounts to maintain a minimum balance and reduce the risk of overdrawing your account or having your payment dishonoured. Sweeps prevent your account from overdrawing when a direct debit is made or a cheque is presented provided you have sufficient funds in your nominated account. A small fee may apply.</p> <p>Telephone, Mobile Phone and Internet Banking Check and manage your account balances using the convenience of Telephone, Mobile Phone and Internet Banking. Suncorp Bank does not charge customers to use Telephone, Mobile Phone and Internet Banking. (A fee is charged for an Internet Banking Security Token).</p> <p>Balance Notification Use this Internet Banking feature to send an alert email when your account balance falls below a nominated amount. Simply log onto Internet Banking and click on the 'view/set balance notification' button to initiate your balance reminder.</p>
<p>Sweep Failure Fee Applies when a sweep fails due to there being insufficient or unavailable funds in your account for the sweep to occur.</p>	<p>Telephone, Mobile Phone and Internet Banking Check and manage your account balances using the convenience of Telephone, Mobile Phone and Internet Banking. Accounts with passbook access

For accounts where a passbook is used or has been used to record account activity the following transactions are not available:

- EFTPOS;
- ATM withdrawals, enquiries and transfers;
- personal cheque withdrawals.

If you wish to use Internet transfers, automated telephone transfers, external transfers and BPAY[®] on accounts where a passbook is used to record account activity, you may have to cancel your passbook and request we issue statements recording your account activity.

Some existing accounts may be able to use these services, in which case, the specified fees apply.

Suncorp Bank Package Offers

Money Manager – My Home Package Fees

If you ask us at any time to include your Everyday Options Account in a Money Manager My Home Package, the Money Manager Package Fee becomes payable solely under your Everyday Options Account Terms and Conditions.

The annual Money Manager Package Fee of \$300 is divided by 12 and 1/12th of the fee (\$25.00) is debited to your Everyday Options Account on the monthly anniversary of the opening date of your Everyday Options Account for the period (including part of any month) that your Everyday Options Account forms part of a Money Manager Package.

If you are paying the Money Manager Package Fee you will not be charged the Everyday Options Account account keeping fee for that month.

Participation in the package is optional and you can cancel your package at any time by telling us. If you cancel your package, standard charges will apply from the following month.

Terms and conditions specified in the Suncorp Bank Money Manager – My Home brochure apply.

Access To Your Account

**This section contains
information regarding
Payment Facilities that
can be used in association
with Suncorp Bank
Personal Deposit Accounts**

Choosing your Access

To apply for access you can either call us on 13 11 55 or visit your local Suncorp Bank branch. Our staff will discuss with you what you require to access the facility and the application process.

Access Limits

To help protect you and your money from theft and fraud the following limits apply:

- the combined cash daily withdrawal limit for ATMs and EFTPOS cashout withdrawals is \$1,000 per day per card;
- for Mobile Phone and Internet Banking, a combined daily limit of \$5,000 will apply for external transfers, business payment credit files and funds transferred using “other Suncorp Account” transfer types unless we agree another amount with you. For additional security, we can ask you to use an external transfer password or security access code. Funds transferred using BPAY® and funds transferred to another of your Suncorp Bank Accounts using “My Suncorp Account” transfer type (whether you hold this account alone or with others) are not included.

If any limit is exceeded, the transaction will be rejected.

How can you Access your Account?

The access methods listed below are not available for all accounts, please refer to the tables on pages 4 and 5 to see if an access method is available.

Automatic Teller Machine (ATM)

By using an ATM, you can withdraw or transfer money from your Suncorp Bank account 24 hours a day 7 days a week (excluding outages for system maintenance) using your Personal Identification Number (PIN) together with your card. You can make a payment to a linked account (eg credit card) at a Suncorp Bank ATM using your card.

BPAY®

BPAY® allows you to pay bills (to billers who have a BPAY® Biller number) over the telephone, in the branch, or via Mobile Phone and Internet Banking by transferring money directly from your Suncorp Bank account.

By using BPAY® you can:

- pay your bills 24 hours a day 7 days a week using Internet, Mobile Phone or Telephone Banking (excluding outages for system maintenance);

Direct Credit Transfer

A direct credit transfer facility allows you to automate a single payment or regular payments from your account.

Direct Debit

A direct debit facility is a debit you authorise for a direct debit user to make from your Suncorp Bank account.

Electronic Funds Transfer at Point of Sale (EFTPOS)

An EFTPOS facility allows you to make point of sale payments directly from your Suncorp Bank account without having to use cash.

Internet Banking

Internet Banking allows you to access your accounts and conduct a range of banking activities including making payments from a computer connected to the Internet (e.g. at your home or office) without having to visit a branch or ATM.

If you are registered for Internet banking you can:

- transfer money from your account immediately or schedule a future payment to an account held at Suncorp Bank or another financial institution. A combined daily limit of \$5,000 will apply for external transfers, business payments and for funds transferred using the “Other Suncorp Account” transfer type, unless we agree on another amount with you. Funds transferred using BPAY® and funds transferred to another Suncorp Bank account using the “My Suncorp Account” transfer type (whether you hold this account alone or with others) will not be included in the daily limit;
- check your balances and conduct transfers or bill payments 24 hours a day 7 days a week (excluding outages for system maintenance);
- make a single payment.

Cheques

A cheque facility is a payment facility that lets you ask Suncorp Bank to make a payment from an account using a cheque. The payee of the cheque usually has to wait for the cheque to be cleared before they can access the funds.

By using a cheque you can:

- make payments of any amount as no limit applies to the amount of a cheque withdrawal, provided you have sufficient cleared funds in your account;
- make payments to anyone who will accept payment by cheque;
- stop payment of a cheque if it is lost or stolen before it is presented to us for payment;
- trace cheques to verify that a payment has been made.

Telephone Banking

Telephone Banking allows you to conduct a range of banking services over the telephone. You can only use Telephone Banking if you have a tone dialling telephone. Your telephone supplier can advise if your telephone is a tone dialling telephone.

By using Telephone Banking you can choose:

- the self select banking service to conduct transfers or bill payments; or
- an operator-assisted service to make bill payments 24 hours a day, 7 days a week (excluding outages for system maintenance).

Mobile Phone Banking

Mobile Phone Banking allows you to access your accounts and conduct a range of banking activities from your mobile device when connected to the Internet without having to visit a branch or ATM. You may be charged web access rates for access to this service by your mobile phone service provider. Your mobile phone service provider can advise you on specific fees and charges.

If you are registered for Internet Banking you can use your login details on Mobile Phone Banking to:

- transfer money from your account immediately or schedule a future payment to an account held at Suncorp Bank or another financial institution. A combined daily limit of \$5,000 will apply for external transfers, business payments and for funds transferred using the “Other Suncorp Account” transfer type, unless we agree on another amount with you. Funds transferred using BPAY® and funds transferred using another Suncorp Bank account using the “My Suncorp Account” transfer type (whether you hold this account alone or with others) will not be included in the daily limit;
- check your balances and conduct transfers or bill payments 24 hours a day 7 days a week (excluding outages for system maintenance);
- make a single payment;
- View BPAY® View bill summaries and download a PDF copy of the detailed bill (for iPhone® users only);
- View and approve business payments (available to business customers only).

*A higher charge may apply for public telephones or mobile phones.

VISA Debit Card

Visa Debit Card is a Visa card that can be attached to most Suncorp Bank accounts. When you purchase goods and services, the payment is debited to your account. A Visa Debit Card allows you to purchase goods and services:

- at an EFTPOS terminal by either:
 - selecting the “savings” or “cheque” button; or
 - selecting the “credit” button wherever Visa cards are accepted.
- by using a manual credit card sales voucher and ticking the Visa box;
- over the telephone or the Internet by providing the card number to the merchant.

With Visa Debit whether you are paying for goods and services by selecting the ‘credit’ button at an EFTPOS terminal, providing the card number to a merchant over the telephone or internet, you will be covered by Visa’s Zero Liability policy meaning you are protected against unauthorised transactions, and the payment comes from your nominated Suncorp Bank account.

Other Services

Funds Management Sweep

A funds management sweep facility allows you to keep a certain balance in a primary account and transfer (‘sweep’) excess available funds into a related account. A primary account is the account you nominate to have the excess funds transferred from.

Insufficient Funds Sweep

An insufficient funds sweep facility allows you to automatically transfer available funds into a nominated primary account from a related account if there are insufficient funds to cover a direct debit or personal cheque from your primary account.

Risks & Safeguards

There are a number of risks with using some payment facilities. The following information identifies some of these risks and makes suggestions on how you can avoid them happening to you. You should monitor your accounts and contact Suncorp Bank immediately if there are discrepancies.

Risks:

- an unauthorised transaction occurs on your account;
- the same transaction is processed more than once;
- you make an error in setting up a BPAY®, transfer, direct debit or direct credit;
- a cheque, transfer or direct debit fails or overdraws your account because of insufficient funds;
- your cheque book, cards, Internet Banking Security Token or secret codes are lost or stolen. Your secret codes include your PIN, telephone access code (TAC) internet banking password, Security token code, Customer ID and external transfer password (ETP).

Safeguards:

- don't disclose your secret codes to anyone (orally or in writing). No one from the bank, the police, or a merchant should ask for your secret codes;
- when selecting secret codes don't use obvious codes such as:
 - your date of birth;
 - consecutive numbers;
 - a series of the same number;
 - a driver's licence number;
 - an alphabetical code that is a recognisable part of your name.
- memorise your secret codes. Refer to the guidelines for recording secret codes in the Terms and Conditions for Suncorp Accounts, if you need to record your secret codes;
- cover the numeric PIN pad at the ATM or EFTPOS terminal with your other hand to ensure your PIN is not seen by anyone else;
- keep your card, cheque books and secret access codes safe. Notify Suncorp Bank immediately if you lose your card or cheque book or you suspect someone knows your secret codes;
- if you use Telephone, Mobile Phone or Internet Banking take care when entering details on biller codes, payment amounts, account details and check and confirm accuracy before finalising the transaction;
- when making a payment, record your receipt number on the bill and check against your next account statement;
- regularly check your account balance to prevent overdrawing;

- do not pre-sign cheques;
- don't let anyone swipe your card more than once without giving you a "transaction cancelled" receipt for all swipes except one;
- never access the Mobile Phone or Internet Banking site via an email link. Suncorp Bank will never ask you to enter login details via emails;
- maintain up to date virus protection and firewall software on your computer;
- avoid using Telephone Banking at places which record dialled numbers such as hotels. Instead, use a Suncorp Bank customer service operator to get access;
- do not pre-program your telephone with account access details ie. TAC and account number and if you use your Mobile Phone for Telephone Banking, regularly delete recently dialled numbers.

Important Terms Explained

Some terms used in this Product Features document are defined and explained below and in the Terms and Conditions for Suncorp Accounts. Please refer to the Terms and Conditions for Suncorp Accounts for the relevant definition if the term is not defined below.

Where a term used in this document is defined in this document and the Terms and Conditions for Suncorp Accounts, the definition below will apply in relation to the use of the term in this document.

In this document, unless the context indicates otherwise, the following terms have the following meanings irrespective on whether or not the first letters of those words are in upper or lower case.

In this document singular includes the plural and vice versa.

Term	Meaning
account	any savings account, term deposit or cheque or card account as specified in the Terms and Conditions for Suncorp Accounts.
ATM Direct Charging	a form of charging for foreign ATM transactions where an ATM owner/operator and perhaps the card issuer charge the cardholder directly for using a foreign ATM. For example, as a Suncorp Bank customer, if you use another Bank's ATM, then the other bank will charge you for using their ATM.
ATM Operator Fee	The fee charged for using a Non-Suncorp Bank/Foreign ATM for Withdrawals and Balance Enquiries. This fee is displayed on the ATM screen before you proceed with a transaction and you are prompted to either accept the fee and proceed or cancel the transaction. The ATM Operator Fee may vary depending on the ATM used and is charged to your account immediately.
BECS	the Bulk Electronic Clearing System. This system has the role of managing the conduct of the exchange and settlement of bulk electronic low value transactions. It provides a framework to cover large volumes of individual payments which are batched for delivery between financial institutions.
