

## 4. Investment selection

### Important information

You may select a maximum of 20 investment options at any time. Please note, each Suncorp WealthSmart Term Deposit you hold counts as one investment option. There are restrictions on the minimum (\$1,000) and maximum (70% of your account balance) amount you can invest in Suncorp WealthSmart Term Deposits. More information on term deposit investment restrictions and interest adjustments can be found in the Suncorp Employee Superannuation Plan Product Update issued 3 December 2012.

For more information on the investment options available within Suncorp Employee Superannuation Plan, please refer to the current Suncorp Employee Superannuation Plan Product Disclosure Statement (PDS) and Member Booklet before selecting an investment option. For some investment options, a PDS is issued by the underlying manager, free of charge. You can download copies from our website or ask us for a printed version. Before you make an investment choice you should consider the relevant investment manager's PDS.

If you want your investment selection change to apply to your whole balance, complete PART A. For specific or part investment selection changes, complete PART B on the next page.

## PART B

Please complete this section if you want to change only part of your existing investments and leave your other investments unchanged.  
Please note:

- You must nominate the same method (dollar or percentage) for both sides of the switch. That means if you nominate a dollar amount when switching out, you must nominate a dollar amount when switching in.
- Even though you're only switching part of your account balance, if you're doing it using percentages, the 'switch in' total amount on the right must equal 100% of the amount you switched out.
- Suncorp WealthSmart Term Deposits cannot form part of your future investment strategy.
