Your default investment option is the Suncorp Lifestage Fund, our authorised MySuper product. If your employees wish to nominate their preferred future investment strategy, they will need to complete the Suncorp WealthSmart Business Super investment change form.

5. Insurance details

To ensure your employees are covered at all times, it's essential your new Suncorp WealthSmart insurance arrangements are approved and in place before any other existing cover is cancelled. Your adviser can arrange this and the transfer of any existing group insurance cover to Suncorp WealthSmart.

At least 75% of your plan's membership must have insurance for automatic cover to apply. If insurance is selected, we recommend contributions be made monthly **as insurance fees are deducted on a monthly basis from your employees' accounts**. And if you're establishing more than two categories, please copy pages 3 and 4 of this form, fill out the information for these extra categories and attach to this form.

As WealthSmart is designed to be MySuper compliant, members must be provided Life and Total & Permanent Disability (TPD) insurance as part of their WealthSmart account that meets the minimum required insured amount under the MySuper legislation. Employers can choose nominated insurance cover from the following Life and TPD benefit designs below or elect to provide the Trustee Minimum, which provides the minimum required levels of insurance. Please note that some exclusions apply to insurance cover and please refer to the PDS and Product Guide for full details.

Note: Cover will be subject to the Automatic Acceptance Limit (AAL) applicable to your plan. For cover above the AAL, employees will need to download and complete an insurance application form and receive written acceptance from us before cover above the AAL is accepted. This form is available from our website at suncorp.com.au Your adviser can assist you with these details.

Do you want to use the payroll file upload facility? Cross if yes

Suncorp WealthSmart can accept a file generated by your payroll program and automatically enter the details into the contribution schedule.
