

4. Investment allocation

You may select a maximum of 20 investment options at any time. Please note, each Suncorp WealthSmart Term Deposit you hold counts as one investment option. Please refer to the investment information in the current Suncorp WealthSmart PDS and the Suncorp WealthSmart Product Guide before selecting an investment option. For some investment options, a PDS is issued by the underlying manager, free of charge. You can download copies from our website or ask us for a printed version. Before you make an investment choice you should consider the relevant investment manager's PDS.

If you want your investment selection change to apply to your whole balance, complete PART A. For specific or part investment selection changes, complete PART B on the next page.
