

Product Update

Suncorp WealthSmart[®] Personal Super

Issued 18 October 2013

Product default investment option removed

From 18 October 2013, when joining Suncorp WealthSmart Personal Super you must complete an initial and future investment selection before opening an account. This is located in the 'Investment selection' section of the Suncorp WealthSmart Personal Super Application Form located on our website at www.suncorp.com.au.

We won't be able to process your Suncorp WealthSmart Personal Super application and accept your super contributions until we receive this information.

We'll no longer automatically invest your money in the Suncorp Balanced Portfolio, which was previously the default investment option for members who had not provided clear or complete instructions for their preferred investment strategy.

This Product Update amends the 'How we invest your money' section of the Suncorp WealthSmart Personal Super and Suncorp WealthSmart Pension Product Disclosure Statement issued on 4 July 2013.
