

Register of Relevant Duties and Relevant Interests Suncorp Portfolio Services Limited (SPSL)

Register of relevant duties and relevant interests of Suncorp Portfolio Services Limited (SPSL) (RSE Licensee) and its Responsible Persons

SPSL is the trustee of the Suncorp Master Trust and the Suncorp Pooled Superannuation Trust. The composition of the Board of SPSL includes four independent, non-executive directors and one executive director. SPSL outsources administrative and other functions to Suncorp Life and Superannuation Limited (**SLSL**), a group entity of Suncorp, and other external service providers. SPSL offers products and services to its beneficiaries that are provided by group entities within Suncorp, as well as other external providers. SPSL is part of the Banking & Wealth business function of the Suncorp Group.

Relevant duties

A “duty” for the purpose of the Register refers to a legal duty owed by a Responsible Person of SPSL to another person or entity (including an RSE Licensee, a related party entity or an external entity).

A duty of a Responsible Person is relevant where the duty:

- could, or could reasonably be perceived to, impair the ability of the Responsible Person to properly discharge his/her duty to the members of SPSL. This could occur where the competing duty could impair the Responsible Person’s ability to exercise independent judgement or to devote the necessary time and attention required to discharge the duty to the members of SPSL.

Relevant interests

- An “interest” for the purpose of the Register, refers to an interest, gift, payment or benefit (whether pecuniary or non-pecuniary) held by a Responsible Person of SPSL, or an associate of that person, which is, or could reasonably be perceived to be, an interest which has the potential to influence the Responsible Person to act in a manner which is inconsistent with the best interests of the members of SPSL.

In accordance with the Conflicts of Interest Policy, SPSL considers that interests with a value under the threshold of \$300 are not sufficiently material to reasonably be considered to have the potential impact described above, and, therefore, are not ‘relevant’ for the purposes of disclosure on the Register. Notwithstanding this, where interests are regularly received (whether in any given month or over a longer period of time), then the interests must be disclosed and steps must be taken to ensure that any Conflict is managed and appropriately recorded.
