1. Suncorp Life & Superannuation Limited declares interest rates in arrears for this investment option on the 15th of each month for the preceeding month.
2. The interim rate can be changed by Suncorp Life & Superannuation Limited at any time and will apply from the previous 1 July. The final declared rate on 30 June may be less than the interim rate that applied during the past year.

NOTES:

Past performance should not be taken as an indication of future performance.

We calculate investment performance using the withdrawal unit price for each investment option in accordance with industry standards. Investment performance is calculated net of taxes and fees such as the investment fee, the investment performance fee, the administration fee, member fee (Suncorp WealthSmart Personal Super and Suncorp WealthSmart Business Super only) and the expense recovery fee. However when calculating investment performance we do not take into account contributions taxes, the contribution fee, deferred contribution fee, withdrawal fee and any discretionary ongoing fees such as insurance premiums and adviser service fees.

**Important note for Suncorp WealthSmart Personal Super members only:** The \$60 pa member fee is only applicable if your account balance less than \$20,000. As per industry standards, performance is calculated on a \$10,000 account balance. Therefore, the \$60 pa member fee ( $\$60/\$10,000 = 0.60\%$  pa) is deducted from the reported gross performance of each investment option. If your account balance is greater than \$20,000 this fee doesn't apply and the performance for your investment will be 0.60% pa greater than what appears in the Suncorp WealthSmart Personal Super investment options performance report.

~ Where an investment option has less than one year of performance data, the 'since inception' performance figure reported is the actual return the fund has achieved to date (therefore, short-term performance).

1. Certain underlying investment managers and underlying Ibbotson trusts may charge performance fees. These fees are payable if the relevant investment manager meets specific investment performance targets. Performance fees are structured so that an investment manager's remuneration is linked to the investment return achieved over an appropriate benchmark index. Underlying investment managers' performance fees are typically between 10% and 30% pa of performance in excess of the relevant benchmark index, although they can be higher or lower. For trusts managed by Ibbotson which charge a performance based fee, the performance fee is currently 10.25% pa of performance in excess of the relevant benchmark and can be changed so long as it is within the maximum of 25% pa permitted by the relevant trust constitution. Where Ibbotson charges performance fees in the underlying Ibbotson trusts a sufficient number of units are redeemed in the trusts to fund payment of the performance fee. Any performance fees payable that are not covered by the management fee will be an additional cost to you. The method of charging performance fees (including the performance amount of the performance fee) may change in the future. Members will be notified via the monthly Suncorp WealthSmart Performance Report (available via [www.suncorp.com.au](http://www.suncorp.com.au)) if performance fee arrangements change and result in the estimated performance fees exceeding the range disclosed.
2. A performance fee may be payable if the Fund has exposure to the credit opportunities sector. The Fund may obtain exposure to this sector indirectly, through the Macquarie Debt Market Opportunity No. 1 Fund (DMO Fund). The Fund can generally have a maximum exposure to this sector of 10% of its net asset value.
3. BlackRock Investment Management (Australia) Limited is currently entitled to a performance fee of 12.5% of any out-performance of the fund above a defined High Water Mark level. The fee is accrued daily and paid monthly out of the fund's assets.
4. Ausbil charges a performance fee of 15% (exclusive of GST and RITC) of the gross (exclusive of management fees) benchmark outperformance. The benchmark is 70% S&P/ASX Mid-cap 50 Accumulation Index and 30% S&P/ASX Small Ordinaries Accumulation Index.
5. Includes the estimated Expense Recovery Fee of 0.17%.
6. Intech Fiduciaries Limited name changed to Ibbotson Associates (Australia) Limited on 15 February 2010.
7. On 1 September 2011, Tyndall Capital Guaranteed Fund name changed to Suncorp Guaranteed Cash Fund and Suncorp Traditional Managed Fund name changed to Suncorp Traditional Balanced Fund .
