

3. Investment selection

You may select a maximum of 14 investment options at any time. Please refer to the investment information in the current Staff Superannuation Plan (Staff Plan) PDS before selecting an investment option. For Intech investment options, a PDS is issued by the underlying manager, free of charge. You can download a copy from our website or ask us for a printed version. Before you make an investment choice you should consider the investment manager's PDS.

If you want your investment selection change to apply to your whole balance, complete PART A. For specific or part investment selection changes, complete PART B.
