Fund Performance to 30 April 2009 (net of maximum fees and charges)

Past performance is not a reliable indicator of future performance.

The investment returns shown are net of the applicable Investment Fee for each investment option and net of the maximum Issuer Fee. Where a lower Issuer Fee is applicable to your account due to a higher account balance, you will receive a rebate, which will be shown, on your Annual Management Statement. If a rebate applies to you, the applicable performance for your account will be higher than those shown above.

Fund Performance to 30 April 2009 (net of maximum fees and charges)

Past performance is not a reliable indicator of future performance.

The investment returns shown are net of the applicable Investment Fee for each investment option and net of the maximum Issuer Fee. Where a lower Issuer Fee is applicable to your account due to a higher account balance, you will receive a rebate, which will be shown, on your Annual Management Statement. If a rebate applies to you, the applicable performance for your account will be higher than those shown above.
