

Suncorp Employee Superannuation Plan Product Update

Issued 1 January 2015

Suncorp WealthSmart® Term Deposits – introducing a new ‘break’ notice period

If you’re looking for income certainty for your super or pension, you can invest as little as \$1,000 in a Suncorp WealthSmart Term Deposit and receive a fixed interest rate for your chosen investment term.

With a Suncorp WealthSmart Term Deposit, your money is generally ‘locked’ in for your chosen investment term. However, there are some circumstances when you, or we, can ‘break’ your term deposit early:

| Breaking a term deposit | |
|---|---|
| When can you break your term deposit | <ul style="list-style-type: none">• If you ask to switch out of a term deposit before it matures• If you request a partial withdrawal and there’s not enough money in your other investment options to pay out your requested amount• If you ask to withdraw or rollover in full, or close your Suncorp Employee Superannuation account. |
| When can we break your term deposit | <ul style="list-style-type: none">• If the balance of your account invested in Suncorp WealthSmart Term Deposits exceeds 85% of your account balance at any time. You’ll need to make sure you maintain at least 15% of your account balance in other investment options (not in term deposits)• If there’s not enough money left in your other investment options to pay for fees, costs, insurance fees, contributions tax, pension payments, or any other amount we need to deduct. <p>If we need to break your term deposit for one of the reasons shown above, we will break the term deposit which is closest to maturity.</p> |

If your term deposit is broken for any reason, it will be broken in full. In other words it can’t be partially broken. If you wish to break your term deposit before the end of your chosen investment term, you must provide us with at least 20 days notice after which the standard term deposit redemption periods will apply.

How does this impact my transaction request?

| Breaking a term deposit | |
|---|---|
| When you ask to switch out of a term deposit | If you ask to switch out of a term deposit before it matures, the switch will be completed after the notice period. You will receive the unit price effective for your new investment option(s) for that day. |
| When you ask to withdraw | If you ask to withdraw (either full or partial) and this results in your term deposit being broken before it matures, your request will be completed after the notice period. |

New investment information for Suncorp Diversified Portfolios

| Suncorp Secure Portfolio | | | Suncorp Conservative Portfolio | | |
|---|---------------------------------|-------------------|--|---------------------------------|-------------------|

Specific notes

1. Suncorp Diversified Portfolios

Certain underlying investment managers and underlying Ibbotson Associates trusts may charge performance fees. These fees are payable if the relevant investment manager meets specific investment performance targets. Performance fees are structured so that an investment manager's remuneration is linked to the investment return achieved over an appropriate benchmark index. Underlying investment managers' performance fees are typically between 10.25% and 30.75% pa of performance in excess of the relevant benchmark index, although they can be higher or lower.

For trusts managed by Ibbotson Associates which charge a performance fee, the performance fee is currently 10.25% pa of performance in excess of the relevant benchmark and can be changed so long as it is within the maximum of 25% pa permitted by the relevant trust constitution.

Where Ibbotson Associates charges performance fees in the underlying Ibbotson trusts a sufficient number of units are redeemed in the trusts to fund payment of the performance fee. Any performance fees payable that aren't covered by the investment fee will be an additional cost to you. The method of charging performance fees (including the performance amount of the performance fee) may change in the future. Members will be notified via the monthly investment performance report (available via suncorp.com.au/super) if performance fee arrangements change and result in the estimated performance fees exceeding the range disclosed.
