3. Proof of your identity

You MUST provide proof of your identity, correctly certified, before we can process your rollover.

It may seem a bit of a hassle – but most super funds will require you to do this before releasing your money. After all, your super could be tens of thousands of dollars, so it's for your own protection that your previous fund makes sure you're the rightful owner of the money being transferred. For most people, the easiest way to provide proof of identity is as follows:

Step 1

Take a photocopy of your current driver's licence (both sides) or current passport (just the page with your photo and personal details) and the original to a post office, police station, Justice of the Peace or bank branch.*

*Any bank should be able to certify your documents, but to find your nearest Suncorp Bank branch, just go to 'Find a branch' at www.suncorpbank.com.au

Step 2

Ask them to certify your ID.

They'll do this by stamping or writing 'This is a true and correct copy of the original', followed by their signature, name, their qualifications entitling them to be a certifier, and the date.

Step 3

Post the certified copies of your ID back to us with this form. Don't fax or email them – we need to see the certifier's original signature. **Please don't send us the originals of your documents (ie your actual passport or driver licence).**

Don't have a current driver's licence or passport? Don't worry – there are other ways of giving us proof of your identity. Go to www.suncorp.com.au/superconsolidation or give us a call on 13 11 55 (and ask for 'Super') and we'll explain your options.

4. Request and authority

- Before signing this form and requesting the transfer of benefits from your previous superannuation fund, you may ask the trustee of that fund to provide you with any information you reasonably require to understand your benefit entitlements. This includes information in relation to any fees or charges which will be incurred as a result of your transfer request and the effect of the transfer, including any change to your insurance cover or available investment options.
- I request that the fund/administration company named in section 2 on this form, transfers my account value to Suncorp Portfolio Services Limited (ABN 61 063 427 958 AFSL 237905 RSE Licence No L0002059) as Trustee of the Suncorp Master Trust (SMT) in relation to my Suncorp WealthSmart account mentioned in section 1 of this form.
- Although I understand that I can request any information from my previous fund that I require in order to understand my benefit entitlement, I don't need it to give me any further information.
- The Trustee and the administrator for SMT are acting on my behalf for this transfer and I authorise the release of information relating to my account to them, in order to facilitate and finalise this transfer.
- I authorise the transfer of any contributions which may be received after my benefits have been transferred.
- I understand that in certain circumstances, the Trustee may be required by law to deduct tax from any untaxed portions of amounts transferred.
- I understand that the trustee of my previous fund is discharged from any further liability in respect of any amounts transferred.
- I understand that once the rollover has been completed and funds are transferred to my Suncorp WealthSmart account, I will no longer be able to claim a tax deduction from my previous super account.
- I understand that my rollover request cannot be processed if there are any KiwiSaver components as part of the funds being transferred across to my Suncorp WealthSmart account
- Before or at the time I provided any personal information, I read and understood the Trustee's privacy statement in the current Suncorp WealthSmart Product Guide, which is also available at suncorp.com.au/privacy
- I consent to the Trustee collecting, using and disclosing my personal information including sensitive information, in accordance with the privacy statement.

Instruction to trustee of the previous fund

Please transfer my account value to the Trustee of SMT in relation to my Suncorp WealthSmart account noted in section 1 of this form. SMT is a complying superannuation fund and is a resident regulated superannuation fund within the meaning of the Superannuation Industry (Supervision) Act 1993. I've instructed and consented to the Trustee and the administrator for SMT facilitating this transfer on my behalf and I instruct you to provide them with all the relevant information.

The information provided on this form is correct and I consent to the authorities listed above.
