

Suncorp Brighter Super[®] and Suncorp Employee Superannuation Plan Withdrawal Form

Use this form to make a cash withdrawal from your Suncorp Brighter Super[®] account or Suncorp Employee Superannuation account or transfer to another super fund.

This form can be used if you have a super or pension account. As super is designed to help you save for your retirement, legislative rules mean your super can't usually be accessed (withdrawn) before you meet a 'condition of release', such as reaching your 'preservation age' (ie the age you can generally start accessing your super) and retiring.

It's your money, but by law, we'll need a significant amount of information from you. Once you've done all this, we'll be able to start processing your withdrawal.

Tips to help you complete this form

- Use a blue or black pen and write in CAPITAL letters
- Use an 'X' to mark answer boxes
- Complete all sections of the form and sign and date on the last page

Tax File Number (TFN) notification – for Super Accounts Only

If you have a Suncorp Brighter Super pension account, you don't have to provide your TFN.

If you provide us with your TFN on this form and within the specified timeframe, we'll refund any 'No TFN tax' deducted from your account in the last three financial years before processing your withdrawal request.

If you don't provide us with a valid TFN at the time of lodging your withdrawal request, you will have up to three years from the end of the income year in which contributions were initially made in which to provide your TFN to the Fund and request a refund on any 'No TFN tax' amounts previously deducted.

As a result of changes to the law, the purposes for which we can use your TFN and the consequences of not providing it to us may change in the future.

Tax Deduction On Personal Contributions – For Super Accounts Only

Please refer to the Australian Tax Office (ATO) or your accountant for further information.

Notice pursuant to sub-section s290-170 Notice of intent to deduct of the Income Tax Assessment Act 1997 as amended for the financial year ended 30 June.

| Residential address | <input type="text"/> | | |
| | | State | Postcode |
| Financial year for which you are claiming a tax deduction | Financial year ending 30 June | <input type="text"/> | |
| Total personal contributions made to my account for the above financial year | | \$ | <input type="text"/> |
| Amount of personal contributions being claimed as a tax deduction | | \$ | <input type="text"/> |

Declaration

I confirm that:

- The information given above is correct and complete.
- I intend to claim the amount shown above as a tax deduction for the financial year specified above.
- This amount hasn't been included in any earlier notice to you and note that this notice cannot be withdrawn or revoked.

Important Information

We cannot accept a notice of intention to claim a tax deduction on any part or full amount of a personal contribution that you've used to start a pension. Where you've partially or wholly rolled over or withdrawn the contributions made to your Suncorp Brighter Super account or Suncorp Employee Superannuation account, the maximum tax deduction that can be claimed may decrease.

Up until 30 June 2017, a tax deduction can only be claimed if:

- You are self-employed, substantially self-employed (see definition below), retired or unemployed; where contributions have not been rolled, withdrawn or used to start a pension before receipt of any s290-170 notice.
- You advise the Trustee of the amount you want to claim as a tax deduction.
- The Trustee acknowledges your advice (an acknowledgement will be issued promptly after receipt of this form from you).

Please refer to the Australian Tax Office (ATO) or your accountant for further information.

From 1 July 2017, all persons under 75, regardless of employment status, can make personal deductible contributions to superannuation up to the concessional contribution limit and receive a tax deduction (people aged between 65 and 74 will be subject to a work test).

Substantially Self-Employed

You are substantially self-employed if less than 10% of your assessable income plus reportable employer super contributions and reportable fringe benefits is from employment as an employee for that financial year.

Eligible Employment

'Eligible employment' means an occupation where your employer would normally be obliged to make Award or Super Guarantee contributions to a super fund for your benefit.

Contributions Tax

Contributions tax at the rate of 15%[†] will be deducted from the amount of contributions that you claim, less any applicable insurance premiums paid in the relevant financial year. Additional tax may apply in relation to amounts exceeding the concessional contributions cap.

Personal contributions that are claimed as a tax deduction for a particular financial year are subject to the concessional cap for that year. In addition, any excess concessional contributions will count towards the non-concessional cap. To find out what the current cap levels are, go to ato.gov.au/super.

[†] 30% contributions tax will apply for people earning over \$300,000. From 1 July 2017, 30% contributions tax will apply for people earning over \$250,000. Changes can be viewed at ato.gov.au/super.
