## Great reasons why you should combine your super

If you've had a few jobs, you've probably got a few different super accounts. One of the easiest ways to simplify your finances, and potentially boost the amount of money you'll have when you retire, is to combine multiple super accounts into one.

## Important things to remember

- Read this Information booklet carefully and follow the instructions on the enclosed form.
- This form cannot be used to open a super account, claim a tax deduction for personal contributions, or transfer benefits under certain circumstances.
- Please be advised any KiwiSaver sourced benefits as part of your super rollover cannot be accepted at this time.
- You may be able to claim a tax deduction for personal contributions made to your previous super provider. To do this, you'll need to complete and provide a s290-170 Notice of intent to claim a tax deduction form to your previous super provider, before you submit a rollover request to us.

- Using this form to transfer your super will not change the fund to which your employer pays your contributions and may close the account you are transferring your super from.
- When you transfer your super, your entitlements under that super fund may cease. You need to consider all relevant information before you make a decision to transfer your super.

## How to complete this form

You are not required by law to provide your TFN but if your other super fund(s) do not have your TFN they may request that you provide a proof of identity, or you may pay more tax on your super than you would otherwise pay. We can't submit your Rollover request if we don't have your TFN.

# We can help you find lost super and combine it into your new account

If you've changed jobs, changed your name or moved house you may have lost super or multiple accounts. If you provide your TFN, we'll do the hard work in finding any lost super and combining it into your new account.

Would you like us to track down any lost super you may have?  Yes  No

**i** TFN is required for us to complete a super search

*By consenting, you authorise the Trustee to act on your behalf and use your TFN to search for super accounts using the ATO SuperMatch database, and your accounts held by other super funds. If the Trustee finds any lost super held with the ATO, you authorise the Trustee to transfer the amount to the Suncorp Brighter Super account nominated on this form where possible. We'll let you know the result of our search in 4-6 weeks.*

- The Trustee and the administrator for the SMT are acting on my behalf for this transfer and I authorise the release of information relating to my account to them, in order to facilitate and finalise this transfer.
- I authorise the transfer of any contributions which may be received after my benefits have been transferred.

The SMT is a complying superannuation fund and is a resident regulated superannuation fund within the meaning of the Superannuation Industry (Supervision) Act 1993. I've instructed and consented to the Trustee and the administrator for the SMT facilitating this transfer on my behalf and I instruct you to provide them with all the relevant information.
