This flyer is designed to help you understand the types of fees and costs that could be charged by a super fund. It doesn't necessarily reflect the fees and costs charged for your Suncorp superannuation account.

We're required by law to provide you the below information. We've added some text in green (like this) to help you understand these legal definitions.

Administration fees

An administration fee is a fee that relates to the administration or operation of the superannuation entity and includes costs that relate to that administration or operation, other than:

- a. borrowing costs; and
- b. indirect costs that are not paid out of the superannuation entity that the trustee has elected in writing will be treated as indirect costs and not fees, incurred by the trustee of the entity or in an interposed vehicle or derivative financial product; and
- c. costs that are otherwise charged as an investment fee, a buy-sell spread, a switching fee, an exit fee, an activity fee, an advice fee or an insurance fee.

In your Suncorp superannuation account, an administration fee is a percentage amount of your account balance and (in some cases) a fixed dollar amount deducted from your account on a monthly basis.

Advice fees (optional)

A fee is an advice fee if:

- a. the fee relates directly to costs incurred by the trustee of the superannuation entity because of the provision of financial product advice to a member by:
 - i. a trustee of the entity; or
 - ii. another person acting as an employee of, or under an arrangement with, the trustee of the entity; and
 - b. those costs are not otherwise charged as an administration fee, an investment fee, a switching fee, an exit fee, an activity fee or an insurance fee.
- b. the fee does not relate to any part of a premium paid or cost incurred in relation to a life policy or a contract of insurance that relates to a benefit to the member that is based on the performance of an investment rather than the realisation of a risk; and
 - c. the premiums and costs to which the fee relates are not otherwise charged as an administration fee, an investment fee, a switching fee, an exit fee, an activity fee or an advice fee.

In your Suncorp superannuation account, you can authorise us to pay a personal advice fee to your financial adviser.

Buy-sell spreads

A buy-sell spread is a fee to recover transaction costs incurred by the Trustee of the superannuation entity in relation to the sale and purchase of assets of the entity.

A buy-sell spread isn't a fee paid to us. It is an amount retained within the underlying investment option to cover costs if you make a transaction on your account.

Insurance fee

A fee is an insurance fee if:

- a. the fee relates directly to either or both of the following:
 - i. insurance premiums paid to an insurer by the Trustee, or the Trustees, of a superannuation entity in relation to a member or members of the entity;
 - ii. costs incurred by the Trustee, or the Trustees, of a superannuation entity in relation to the provision of insurance for a member or members of the entity; and
- iii. costs that are otherwise charged as an administration fee, a buy-sell spread, a switching fee, an exit fee, an activity fee, an advice fee or an insurance fee.

Insurance fees (sometimes known as premiums) are deducted from your account to pay for your insurance cover.

Investment fees

An investment fee is a fee that relates to the investment of the assets of a superannuation entity and includes:

- a. fees in payment for the exercise of care and expertise in the investment of those assets (including performance fees); and
- b. costs that relate to the investment of assets of the entity, other than:
 - i. borrowing costs; and
 - ii. indirect costs that are not paid out of the superannuation entity that the trustee has elected in writing will be treated as indirect costs and not fees, incurred by the trustee of the entity or in an interposed vehicle or derivative financial product; and
 - iii. costs that are otherwise charged as an administration fee, a buy-sell spread, a switching fee, an exit fee, an activity fee, an advice fee or an insurance fee.

Investment fees are charged by the investment manager of the underlying investment option.

 - ii. that relates to a member and is required by law; and
- b. those costs are not otherwise charged as an administration fee, an investment fee, a buy-sell spread, a switching fee, an exit fee, an advice fee or an insurance fee.

Exit fees

(not payable for Suncorp superannuation customers)

An exit fee is a fee to recover the costs of disposing of all or part of members' interests in the superannuation entity.
