Suncorp International Shares Index Fund

Effective 20 February 2019, the Suncorp International Shares **Index** Fund (“the Fund”) will be renamed to Suncorp International Shares Fund. There are no other changes to the investment option.

Why have we made this change?

We made this change to ensure the name better aligns with the underlying investment characteristics of the Fund. The Fund is a benchmark unaware, low turnover global equity strategy that is managed using a factor based systematic approach (i.e. smart beta). Using this approach the fund usually holds 300-500 companies that exhibit desirable fundamental quality, value and liquidity characteristics, with the objective of outperforming its benchmark by 2.5% p.a. (gross fees) over rolling five year periods.
