PART B

Please complete this section if you want to change your existing Suncorp WealthSmart Term Deposit(s) and leave your other investments unchanged. Please note:

- You must nominate the same method (dollar or percentage) for both sides of the switch. That means if you nominate a dollar amount when switching out, you must nominate a dollar amount when switching in.
- Even though you're only switching part of your account balance, if you're doing it using percentages, the 'switch in' total amount on the right must equal 100% of the amount you switched out.
- Suncorp WealthSmart Term Deposits cannot form part of your future investment strategy.

† You must switch out 100% of your investment in a Suncorp WealthSmart Term Deposit (you can't partially break it). Please photocopy this page and attach it to this form if you have more than 8 term deposits. Please note your monies will be switched into the Suncorp Cash Fund prior to being switched into your chosen investment option(s).

5. Declaration and signature

- I understand that if I'm invested in a Suncorp WealthSmart Term Deposit and terminate it before it matures, an interest adjustment will apply and a request to break a Suncorp WealthSmart Term Deposit prior to the maturity date won't be completed until monies in the underlying fixed term deposit are received from the Bank. Unless grounds for hardship exist, this will take 31 days from when the Bank is notified by us of the request to break the underlying fixed term deposit. We will complete a request to break a Suncorp WealthSmart Term Deposit prior to the maturity date within a maximum 60 days of receipt of that request. Because the Bank requires 31 days notice to break a term deposit prior to its maturity date, Suncorp WealthSmart Term Deposits broken prior to maturity are classified as 'illiquid investments' for superannuation purposes in that their proceeds can't be switched, rolled over or transferred within 30 days of receiving your request.
- By investing in a Suncorp WealthSmart Term Deposit you acknowledge that if it is broken prior to maturity it is an illiquid investment for superannuation purposes and that we're not required to switch, rollover or transfer the amount within 30 days of receiving your request..
- I understand for some investment options, a separate PDS is issued by the underlying investment manager and is available from your website at suncorp.com.au or by contacting you, and I consent to getting these PDSs by downloading them from this website or asking you for a printed version.
- My investment choices have been made after reading the current Suncorp WealthSmart PDS and the Suncorp WealthSmart Product Guide, and the underlying investment manager's PDS for each investment option.
- I acknowledge, when I make any investment decisions or transact on my account, I may have not read the most recent investment manager's PDS for each investment option and may not have been notified about material changes or significant events that adversely affect a matter that should be in the PDS for those investment options.
- I consent to getting notification and an explanation of any material change or significant event that adversely affects a matter in the most recent PDS(s) for the underlying financial product(s) for each investment option by downloading the information from your website at suncorp.com.au
- I understand that, auto-rebalancing will not apply to any money invested in Suncorp WealthSmart Term Deposits.
- Before or at the time I provided any personal information, I read and understood the Trustee's privacy statement in the current Suncorp WealthSmart Product Guide, which is also available at suncorp.com.au/privacy
- I consent to the Trustee collecting, using and disclosing my personal information including sensitive information, in accordance with the privacy statement.
