Terms and Conditions

When does the cover apply?

Transit Accident Insurance is effective when the purchase in full of a trip is charged to a **Suncorp Bank Business Visa Debit Card** and it provides cover for **injuries**, as outlined in the Table below, when sustained as a direct result of an **accident** whilst on a trip and occurring within 12 months of the **accident**.

This also includes **accidents**:

- when boarding or alighting, being when you physically get on or off, a **conveyance** on the **trip**; and
- whilst travelling as a passenger in a **conveyance** directly to or from any airport, coach depot, railway station or dock immediately before or after the scheduled **trip**.

What is covered?

The following table sets out the type of **injury** and the amounts we will pay. However, if, as a result of one **accident**, more than one **injury** is sustained by a person eligible for cover, only the greater Benefit Amount will be paid.

Injury	Cardholder/User Benefit Amount	Spouse Benefit Amount	Dependent Child Benefit Amount
Loss of Life	\$250,000	\$200,000	\$100,000
Loss of both hands or both feet	\$250,000	\$200,000	\$100,000
Loss of one hand & one foot	\$250,000	\$200,000	\$100,000
Loss of the entire sight of both eyes	\$250,000	\$200,000	\$100,000
Loss of the entire sight of one eye & one hand or one foot	\$250,000	\$200,000	\$100,000
Loss of one hand or one foot	\$125,000	\$125,000	\$50,000
Loss of the entire sight of one eye	\$125,000	\$125,000	\$50,000

Injury relating to loss of hands and/or feet referred to above means severance through or above the wrist or ankle joint and, in relation to eye(s), means irrecoverable loss of sight.

If the person's body has not been found within one year of the date of disappearance arising out of an **accident** that is covered by this insurance, it will be presumed the person died as a result of **injury** caused by the **accident** at the time of the disappearance.

What are the cover limits?

The most we will pay in claims, under this Transit Accident Insurance, that results from the one accident (e.g. a bus crash) is A\$1,500,000 regardless of the number of persons in the **accident**.

This means that if as a result of one **accident** a number of **cardholders/users**, their **spouses** and/or **dependent children** were **injured**, we would pay each on a proportional basis (using the table amounts) up to a total of A\$1,300,000. For example, if five **cardholder/users**, one **spouse** and one **dependent child** lost their lives in the same bus crash, we calculate the benefits payable as follows:

Five cardholders/users –	\$1,250,000
One spouse –	\$200,000
One dependent child –	\$100,000
Total benefit amount:	\$1,550,000

We take the total aggregate exposure (\$1,500,000) and divide it by the total benefit amount (\$1,550,000) to determine the percentage (96.77%) to proportionally reduce.

In this case, the total benefits would work out to be:

Each cardholder –	\$241,925
The spouse –	\$193,540
The dependent child –	\$96,770

What is not covered ?
