

Suncorp Mobile EFTPOS

Wireless payment processing

Mobile EFTPOS explained

Suncorp's Mobile EFTPOS terminals are suitable for businesses on the go, in temporary locations, or at remote points of service, and allow payment processing without a cable. Got a charged battery? You're ready to process anywhere, anytime.

Who it's for

Suncorp's Mobile EFTPOS is suitable for a range of industries and business types, including:

- Mobile trades such as electricians, mechanics and plumbers
- Delivery services
- COD couriers
- Kiosks and outdoor market stalls
- Any retail store that requires mobility and the convenience of flexible payment processing.

What it offers

- Daily settlement, seven days a week, which means you can use your cash the next day.*
- Easy-to-read monthly merchant statements.
- Multi-merchant capability for businesses allowing multi-merchants to trade via the one terminal – for example, rent a chair at a hairdressing salon.
- Value added applications: phone top-up, loyalty programs and gift card programs.**

How Mobile EFTPOS works***

Step 1. Insert, swipe or tap the card.

Step 2. Select account type.

Step 3. Type in amount.

Step 4. Verify total.

Merchants are able to process the following transaction types using Suncorp's Mobile EFTPOS:

- Purchase.
- Purchase with cash out.
- Cash out.
- Refunds.
- Pre-authorisation (e.g. hotels).
- Tipping (e.g. restaurants).
- Value add services (phone top-up).

Merchants are able to process the following card types using Suncorp's Mobile EFTPOS:

- All major credit and debit cards (Australian and international).
- American Express (subject to successful application and approval from American Express).
- Diners Club (subject to successful application and approval from Diners Club).
- Apple Pay, Google Pay, Samsung Pay and other "Pays".
