Everyday Saver Account

Our Everyday Saver Account is a flexible bank account that can be used as a savings account or an everyday transaction account.

As a savings account, you can earn bonus interest each month if:

- you deposit at least \$40.00 into your account each month; and
- you do not make any withdrawals from your account in the same monthly period.

Bonus Interest for each month is calculated from the monthly anniversary of your account opening date. For accounts where a passbook is used or has been used to record account activity, deposits and withdrawals made on the monthly anniversary date are included in the following month's calculations. For all other accounts they are included in the current month's calculation.

Interest is calculated daily on the whole of the credit balance at the end of the day and paid quarterly.

As an everyday transaction account you can make deposits and withdrawals. Your funds are "At Call" which means you can access your money at any time our banking facilities are available. Staff can assist you to access your funds at the store. You can transact electronically through Internet Banking, Telephone Banking and Mobile Banking or using BPAY®, Direct Debits and Direct Credits, or by using your card at ATMs and EFTPOS facilities.

Statements are issued every 6 months. You can request statements monthly or quarterly at no additional charge.

The fee waiver available on this account is the Accessibility Waiver. For more information refer to page 9.

General Information on Interest

Current interest rates are not included in this document because they are subject to change.

Current interest rates are available:

- by picking up our current Interest Rate Brochure from your nearest Suncorp Bank store; or
- by calling us on 13 11 55; or
- by visiting suncorp.com.au/banking

Changes to the standard rate of interest (variable interest rate) are advertised in the national press on or before the date the interest rate is changed.

You can request a change to the destination account for your credit interest on your Suncorp Bank Personal Deposit Accounts. Redirection of credit interest can only be to another Suncorp Bank account.

If you choose to redirect your credit interest to a different account, please remember that the interest has been earned on the original account and must be declared by the owner/s of that account.

Depending on your personal circumstances you may have to pay income tax on any interest earned. You should seek independent external taxation advice in this regard.

How is Interest Calculated?

A standard rate of interest (variable interest rate) is paid on the total of the available credit balance in your account. Interest on the Suncorp Bank Everyday Saver Account is calculated daily on the end of day balance, and paid into your account every quarter.

Eligibility

Suncorp Bank Everyday Saver Account can only be opened by individuals as personal customers for personal use.

An account may be opened by two individuals as joint applicants.

Handy Tips to Save on Fees

Most Suncorp Bank deposit accounts provide an unlimited number of fee free Suncorp Bank transactions. Depending on the way you transact on your account, you may incur other fees. Visa Debit Card

What is a Visa Debit Card?

A Visa Debit Card is a Visa card that can be attached to most Suncorp Bank Accounts. You can get instant access to available funds in your attached Suncorp Bank Account at ATM's throughout Australia and overseas (where the Visa logo is displayed) by using your Visa Debit Card and PIN.

How do I use my Visa Debit Card?

You can purchase goods and services using your Visa Debit Card and the payment is debited to your Suncorp Bank account. A Visa Debit Card allows you to purchase goods and services:

- at an outlet within Australia that has EFTPOS available, by either:
 - selecting the "savings" or "cheque" button;
 - selecting the "credit" button wherever Visa cards are accepted or
 - making a Contactless Transaction at participating merchants if your card has Visa payWave including the use of your mobile device if your card has been registered for this service;
- by using a manual credit card sales voucher and ticking the Visa box;
- over the telephone, the Internet or through the use of an app on your mobile device by providing the card number to the merchant;
- through Click to Pay with Visa at selected merchants;
- at outlets overseas wherever Visa is accepted.

Am I eligible for a Visa Debit Card?

A Visa Debit Card will automatically be issued to you when meeting the following criteria:

- The account being linked to the Visa Debit Card is an Everyday Saver Account
- The signing rule on the account is 'any one' to sign
- The cardholder is 16 years of age or over
- The account is not a Company/Organisation account

Should you not be eligible for a Visa Debit Card and/or prefer not to have a Visa Debit Card then you may be eligible for a Suncorp Bank eftpos Card. For more information on eftpos Cards please refer to "Important Terms Explained" within the Product Information Document.

What is Verified by Visa?

Suncorp Bank automatically enrolls all Visa Debit cardholders into the Suncorp Bank Verified by Visa (VbV) security service, free of charge. This service provides additional security when you use your Visa debit card to shop at participating VbV online stores (e.g. when you

purchase a book online or a holiday). If VbV identifies that a transaction requires further verification, you will be sent a One-Time Passcode by SMS to the mobile phone number you have registered with us. You will need to enter the Passcode into the verification screen to finalise your purchase. If you do not have your mobile number registered with us, you may be provided with an alternative verification method or it may be necessary for you to contact the bank directly. Purchases that are not verified when required will not be authorised and if you wish to proceed with the purchase you will need to contact us.

Important information about using your Visa Debit Card

If you use your Visa Debit card to make transactions over the Internet, please make sure that you tell us if you change your mobile number or other personal details such as address.

- With a Visa Debit Card when you are paying for goods and services by selecting the 'credit' button at an EFTPOS terminal or providing the card number to a merchant over the telephone or the Internet, you'll be covered by Visa's Zero Liability policy meaning you are protected against unauthorised transactions.
- You can use payWave functionality to make Contactless Transactions for purchases less than \$100 using your card at merchants who have a Contactless Terminal without having to enter a PIN. For purchases over \$100 using your card, a PIN is required. A Contactless Transaction made using your mobile device with a Contactless Terminal may require input of your Mobile Device Passcode.
- At some outlets you can obtain cash directly from your Suncorp Bank account (known as 'cash out') by using your Chip Enabled Visa Debit card and PIN. Simply select the "cheque", "savings" or "credit" button on the EFTPOS terminal. When you select "credit", the card must be inserted into the terminal and not swiped.
- You may be liable for Visa transactions which cause your account to become overdrawn. As a result interest or fees may be charged to your account.
- If you have not used your card to access your account in the 6 months prior to its expiry date then, for security reasons, we may not send you a replacement card upon expiry.

Click to Pay with Visa

Click to Pay with Visa is a digital payment service that allows you to store your major payment card information (including Visa, MasterCard and American Express) in one online location. This eliminates the need to enter your card information every time you make an online purchase at participating merchants. At the checkout stage, you simply select the Click to Pay icon, choose the preferred payment card and click 'pay'. Click to Pay with Visa will process the transaction whilst shielding your full card details from the merchant. You no longer need to worry about your card data being at risk when you checkout with Click to Pay with Visa. You can sign up to Click to Pay with Visa through Internet Banking and there is no sign up fee.

Deposit Only Card

A Deposit Only Card allows customers to make cash or cheque deposits at any Suncorp Bank deposit ATM or Bank@Post outlet. The card is restricted from making withdrawals, purchases and account enquiries. The Deposit Only Card can be used to deposit into your account at any time (excluding outages for system maintenance) using your Personal Identification Number (PIN).

Other Services

Funds Management Sweep

A funds management sweep facility allows you to keep a certain balance in a primary Suncorp account and transfer ('sweep') excess available funds into a related Suncorp account. A primary Suncorp account is the account you nominate to have the excess funds transferred from.

Insufficient Funds Sweep

An insufficient funds sweep facility allows you to automatically transfer available funds into a nominated primary Suncorp account from a related Suncorp account if there are insufficient funds to cover a Direct Debit or personal cheque from your primary Suncorp account.

PayID

The PayID service is an addressing service that enables a person to make payments to you through the NPP or Osko using your PayID instead of a BSB and Account number, if that person is permitted to do so by their financial institution.

You will be able to create a PayID in connection with your Account via the Suncorp App if you are the holder of a PayID eligible Account (refer to "Product Features at a Glance" table above), you accept the PayID Terms and Conditions and are able to satisfy the requirements set out in those PayID Terms and Conditions. You will not be able to create a PayID in connection with a Passbook account.

Once you create a PayID and link it to a PayID eligible Account, payments made through the NPP or Osko to your PayID will be directed to that Account.

You are not obliged to create or use a PayID for your Account. You can continue to operate your Account without a PayID, in which case payments made through the NPP or Osko to your Account will require your BSB and Account number.

Risks & Safeguards

There are a number of risks with using some payment facilities. The following information identifies some of these risks and makes suggestions on how you can avoid them happening

to you. You should monitor your accounts and contact Suncorp Bank immediately if there are discrepancies.

- you make an error in setting up a Bpay®, transfer, Direct Debit, or Direct Credit;
- a transfer or Direct Debit fails or overdraws your account because of insufficient funds;
- your cards, Security Token or secret codes are lost or stolen. Your secret codes include your PIN, telephone access code (TAC), Internet Banking password, Mobile Banking password, Security Token Code, Customer ID and Mobile Device Passcode.

Safeguards:

- cover the numeric PIN pad at the ATM or EFTPOS terminal with your other hand to ensure your PIN is not seen by anyone else;
- keep your card, cheque books and secret access codes safe. Notify Suncorp Bank immediately if you lose your card or you suspect someone knows your secret codes;
- if you use Telephone Banking, Mobile Banking or Internet Banking take care when entering details of biller codes, payment amounts, account details and check and confirm accuracy before finalising the transaction;
- when making a payment, record your receipt number on the bill and check against your next account statement;
- regularly check your account balance to prevent overdrawing;
- don't let anyone swipe your card more than once without giving you a "transaction cancelled" receipt for all swipes except one;
- never access the Mobile Banking or Internet Banking site via an email link. Suncorp Bank will never ask you to enter login details via emails;
- maintain up to date virus protection and firewall software on your computer;

- avoid using Telephone Banking at places which record dialled numbers such as hotels. Instead, use a Suncorp Bank customer service operator to get access;
