What happens when you ask us for credit or a credit limit increase?

When you ask us for credit or a credit limit increase, we will make an assessment to determine whether the credit or credit limit increase you are seeking is not unsuitable for you. To enable us to undertake this assessment, we will ask you to provide us with information about:

- your requirements and objectives for the credit or credit limit increase you are seeking, including the purpose of the credit or credit limit increase; and
- your current financial situation

As part of our assessment, we will take reasonable steps to verify the financial information that you provide to us. However, it is important that you provide us with all relevant information about your financial situation, including any foreseeable changes that may affect your ability to repay the proposed loan. You should also let us know immediately if your financial circumstances change.

When would the credit or credit limit increase be unsuitable for you?

We will make an assessment to determine whether a credit contract or credit limit increase is unsuitable for you based on the information you provide to us about your financial situation, your requirements and objectives and the information we obtain from the reasonable steps we have taken to verify your financial situation.

A credit contract or credit limit increase would be unsuitable for you if at the time the credit contract is entered or the credit limit increased:

- it is likely you will not be able to comply with the financial obligations under the contract, or you could only comply with substantial hardship; or
- the contract does not meet your requirements or objectives.

We will not enter a credit contract with you or increase your credit limit if we assess the contract as unsuitable for you.

Can I ask for a copy of the assessment?

You can ask us for a copy of our assessment that the credit contract or credit limit increase is not unsuitable for you. The assessment will contain:

- the information you have provided us about your requirements and objectives;
- the financial information you have given us;
- the enquiries we have undertaken to verify your financial situation; and
- details of the credit product we have offered.

If you ask us we will provide you with a copy of our assessment in writing free of charge.

How can I obtain a copy of the assessment?

In most cases, we will provide you with a written copy of our assessment with your loan documents.

You can ask us for a copy of the assessment at any time before you enter the credit contract or the credit limit is increased. If you make such a request, the credit contract must not be entered or the credit limit increased until we have provided the assessment to you. You should notify us immediately if the information on the assessment document is incorrect or has changed.

You can also ask us for a copy of the written assessment up to 7 years after the date the credit contract was entered into or the credit limit was increased.

If your request for a copy of the assessment is made after you have entered into the credit contract or the credit limit was increased, a written copy of the assessment will be provided to you:

- within 7 business days of receiving your request, if the request is made within 2 years from the day you entered into the credit contract or the credit limit was increased;
- within 21 business days of receiving your request, if the request is made more than 2 years but less than 7 years from the day you entered into the credit contract or the credit limit was increased.
