PayID Terms and Conditions

1 About these PayID Terms and Conditions

- 1.1 Definitions and the rules of interpretation applicable to these PayID Terms and Conditions are set out in clause 14.
- 1.2 These PayID Terms and Conditions apply to:
- (a) the creation of a PayID in connection with an eligible Account you hold with us; and
 - (b) once you create a PayID, the change, Closure, transfer, Locking and ongoing use of that PayID.

Subject to clause 7.2, these PayID Terms and Conditions do not apply to the making of payments to a PayID (among other things).

- 1.3 All the other terms and conditions that apply to your Account continue to apply in addition to these PayID Terms and Conditions, including the ["Terms and Conditions for Suncorp Accounts and Continuing Credit Accounts"](#) which can be accessed by visiting our website, at any Suncorp store or by phoning us on 13 11 55 (**Account Terms and Conditions**) and our Mobile Banking Terms and Conditions for the Suncorp App which can be found within the Suncorp App by tapping on the "Settings" icon and then "Support and Information". For example, in our Account Terms and Conditions and our Mobile Banking Terms and Conditions for the Suncorp App, you will find provisions about:
- (a) making a payment to a PayID (including your obligations to input correct PayID details and to check the payee's PayID Name before sending an NPP Payment);
 - (b) your and our rights and obligations in relation to receiving payments generally; and
 - (c) the investigation and recovery of Mistaken Internet Payments, payment errors and unauthorised Transactions.
- 1.4 If there is an inconsistency between a provision in these PayID Terms and Conditions and a provision in either the Account Terms and Conditions or Mobile Banking Terms and Conditions, the provision in these PayID Terms and Conditions will prevail to the extent of the inconsistency.
- 1.5 You must accept these PayID Terms and Conditions when you are creating a PayID via the Suncorp App, by tapping on the "Accept & Continue" button at the bottom of the screen on which the hyperlink to these PayID Terms and Conditions is located.

2 Laws and Codes of Practice

- 2.1 Where applicable, the Banking Code of Practice and the ePayments Code apply to your Accounts and our services.
- 2.2 We agree to follow the rules of the ePayments Code for ePayments Code regulated Transactions made in Australia and we give you a warranty that we will do so. Your and our rights, obligations and liability in relation to ePayments Code regulated

Transactions made in Australia are also set out in clause 20 of our Account Terms and Conditions.

- 2.3 You have certain rights at law, which cannot be limited or excluded. Nothing in these PayID Terms and Conditions limits or excludes those rights, however, Suncorp's liability is limited to the maximum extent permitted by law.

3 PayID Service

- 3.1 The PayID Service is an addressing service that enables a person to make NPP Payments to you using your chosen PayID instead of a BSB and Account number, if that person is permitted to do so by their financial institution (**PayID Service**).
- 3.2 Once you create a PayID and link it to an eligible Account, NPP Payments which a person makes to your PayID will be directed to that Account.
- 3.3 You are not obliged to create or use a PayID for your Account. You can continue to operate your Account without a PayID, in which case NPP Payments to your Account will require your BSB and Account number.

4 Creating your PayID

- 4.1 You can create a PayID via the Suncorp App, provided you satisfy the conditions of this clause 4. We will not create a PayID for you without your prior consent.
- 4.2 In order to create a PayID you must be a holder of a Personal Deposit Account which is PayID eligible and you must agree to link your PayID to that Account. Your Personal Deposit Account will be PayID eligible if it is specified as such in the Schedule of Fees and Charges applicable to your Account. A PayID cannot be linked to a Business Account.
- 4.3 We will determine which PayIDs are available to you based on the information we hold in connection with your Accounts. Certain types of mobile numbers and email addresses may not be in a format which is compatible with our PayID requirements and, therefore, cannot be created as a PayID. When you ask us to create a PayID we will tell you which PayIDs are available to you. If you believe our determination of the PayIDs available to you is incorrect please call us on 13 11 55 and we will try and resolve this for you.
- 4.4 You must own or be authorised to use your chosen PayID. Before you can create a PayID you must satisfy us that this is the case. We may ask you to provide evidence to verify that you either own or are authorised to use your chosen PayID.
- 4.5 At the time you create your PayID we will allocate you a PayID Name based on the information we hold in connection with your Accounts. Your PayID Name will usually be the same as your name on the Account linked to your PayID. You acknowledge that your PayID Name will be displayed to payers who send NPP Payments to you using your PayID and to anyone who looks up your PayID via the PayID Service.
- 4.6 Each PayID can only be linked to one account at a time, but an account can have multiple PayIDs linked to it. For example, you may be able to create your mobile

number and email address as PayIDs and link them to the same Account (in which case payments made to either PayID will be directed to the same Account), but you cannot use your mobile number or email address as the PayID for more than one account at a time.

- 4.7 If your Account is a joint account, you and each other joint account holder can each create a separate PayID for the Account.
- 4.8 You may only create a PayID in connection with an Account if you are an Account holder. Individuals who have been authorised by an Account holder to operate or access an Account will not be able to create and link a PayID in relation to that Account.
- 4.9 If your chosen PayID is already created in the PayID Service then we may refuse to create that PayID for you. If you believe that you own or are authorised to use that PayID then please contact us on 13 11 55 and we will try to assist you to resolve this situation. We are not permitted by law to disclose to you the name or other personal information of a person who has already created a PayID using your chosen PayID.
- 4.10 You agree to your PayID being registered in the PayID Service. We will ensure that your PayID and Account details are accurately recorded in the PayID Service.

5 Transferring your PayID to another account

- 5.1 Unless your PayID is Locked, you can transfer your PayID:
 - (a) to another Account you hold with us which is PayID eligible under clause 4.2 by going to the “Manage Banking” section in the Suncorp App or by calling us on 13 11 55; or
 - (b) to an account with another financial institution by calling us on 13 11 55.
- 5.2 Before you can transfer a PayID to another account you must satisfy us that you either own or are authorised to use your PayID. We may ask you to provide evidence to verify that this is the case.
- 5.3 Transferring your PayID to another Account with us will usually be effective immediately, unless we notify you otherwise.
- 5.4 A transfer of your PayID to another financial institution is a two-step process initiated by you and completed by that financial institution. First, ask us to put your PayID into a transfer state. We will process a request to transfer your PayID to an account with another financial institution within 24 hours. However, you will need to ask your other financial institution to link your PayID to your account with them and they may take longer to process your request. If the other financial institution does not complete the transfer within 14 days, the transfer will be deemed to be ineffective and your PayID will remain linked to your Account with us.
- 5.5 Until the transfer is completed, NPP Payments to your PayID will be directed to your Account with us linked to your PayID. Once your PayID has been transferred to an account at another financial institution, NPP Payments made to your PayID will be directed to that account.

6 Transferring your PayID from another financial institution to your Account

- 6.1 To transfer a PayID you have linked with an account at another financial institution to your Account with us, you will need to start the process with that financial institution.
- 6.2 After your other financial institution has put your PayID into a transfer state, to complete the transfer of your PayID to an Account with us you will need to follow our PayID creation process via the Suncorp App and the terms and conditions in clause 4 in relation to creating a new PayID will apply to the transfer of your PayID to an Account with us as if you were creating a new PayID.

7 Ongoing use of your PayID

- 7.1 From time to time we may ask you to re-confirm your PayID is still current and that you still own it or are authorised to use it.
- 7.2 You acknowledge and agree to the following.
 - (a) If you use your PayID to make payments between your own Suncorp Accounts, withdrawal limits may apply to those payments, as further described in our Mobile Banking Terms and Conditions for the Suncorp App.
 - (b) Making a payment between your own Suncorp Accounts using your PayID will use up the withdrawal limits available in relation to other types of payments, such as payments to an account at another bank.
 - (c) You should make payments between your own Suncorp Accounts via the “Transfer” payment option in the Suncorp App, rather than by using a PayID, as withdrawal limits may not apply to payments made in this way.
 - (d) Withdrawal limits also apply to other types of payments to a PayID. Please refer to our Mobile Banking Terms and Conditions for the Suncorp App.
- 7.3 Where we determine (in our reasonable opinion) that a NPP Payment (or part of it) made to your Account is either a Mistaken Internet Payment or a payment made in error, we will follow the procedures set out in our Account Terms and Conditions at either clause 11.3 or clause 20.19, or in both of these clauses. Depending on the circumstances, these procedures may allow us to freeze your Account or reverse or deduct from your Account, an amount up to the original amount of the Mistaken Internet Payment or the payment made in error.

8 Closing a PayID

- 8.1 You can close your PayID by going to the “Manage Banking” section in the Suncorp App or by calling us on 13 11 55. We will complete a request to close your PayID within 24 hours.
- 8.2 Before you can close your PayID you must satisfy us that you either own or are authorised to use your PayID. We may ask you to provide evidence to verify that this is the case.

- 8.3 You must notify us immediately to close your PayID if you no longer own or have authority to use your PayID, you change your name or any other information connected to your PayID changes.
- 8.4 We may close your PayID without your consent and with immediate effect:
- (a) if you no longer own or have authority to use your PayID or we reasonably suspect this to be the case; or
 - (b) if your PayID ceases to have a connection with the Account linked to your PayID (for example if your PayID is a mobile number and you ask us to update your contact details on your Account with a different mobile number); or
 - (c) if you have changed your name or your name on the Account linked to your PayID changes; or
 - (d) if a person seeks to register a PayID in the PayID Service which is the same as your PayID, your PayID has been Inactive for 6 months or more and we are unable to contact you; or
 - (e) if your PayID has been Inactive for 7 years or more; or
 - (f) if your PayID has been Locked for what we consider (acting reasonably) to be an excessive period of time; or
 - (g) if the Account linked to your PayID is closed or we transfer our responsibility for, or our interest in, your linked Account at any time to any person in accordance with our Account Terms and Conditions; or
 - (h) without limiting our rights under clause 9, if we reasonably suspect that you are misusing your PayID or using it to procure NPP Payments fraudulently or if we have any cause for suspicion or concern in relation to your Account or payments to your Account; or
 - (i) if we are required to do so by law, by the operator of the NPP or to protect our Legitimate Interests.
- 8.5 If your PayID is closed you are responsible for informing parties who make payments to you using your PayID. After your PayID is closed, that PayID may be registered by another person if they can demonstrate they have the right to use it, and payments using that PayID will then be made to the other person's account.

9 Locking and unlocking a PayID

- 9.1 We monitor PayID use to manage PayID misuse and fraud. You acknowledge and consent to us Locking your PayID if we reasonably suspect misuse of your PayID or use of your PayID to procure NPP Payments fraudulently or if we have any cause for suspicion or concern in relation to your Account or payments to your Account.
- 9.2 While your PayID is Locked you will not be able to receive NPP Payments to your PayID or request a transfer of your PayID to another account.
- 9.3 You can request to unlock your PayID by calling us on 13 11 55.

10 Privacy

10.1 By creating your PayID you consent:

- (a) to us collecting information connected to your PayID, such as your PayID, PayID Name and Account details (including full legal account name) (**PayID Information**);
- (b) to us using your PayID Information to enable payers to make NPP Payments to you in the PayID Service and to us disclosing your PayID Information to our service providers and our agents for the same purpose;
- (c) to your PayID Name being shown to anyone who looks up your PayID via the PayID Service or makes an NPP Payment to your PayID (for example, if your mobile number is your PayID, then any person who enters your mobile number in the “pay someone” or “pay anyone” field of their online banking may see your PayID Name attached to that mobile number);
- (d) to us, our service providers and our agents disclosing your PayID Information to the PayID Service operator, NPP Australia Limited, so it can use your PayID Information to create your PayID, store your PayID Information in the PayID Service register and otherwise operate the PayID Service; and
- (e) to NPP Australia Limited disclosing your PayID Information to other financial institutions and BPAY® Pty Ltd (the Osko® service provider) and their service providers so they may use your PayID Information to facilitate the operation of the PayID Service (for example to construct NPP Payment messages, to enable payers to make NPP Payments to you, to disclose your PayID Name to payers for NPP Payment validation, to trace lost NPP Payments, to investigate fraud or where required by law).

10.2 To the extent that the creation and use of the PayID Information constitutes a collection, disclosure, storage and use of your personal information within the meaning of the Privacy Law, you acknowledge and agree that you consent to that disclosure, storage and use.

10.3 Where you hold a joint Account, other Account holders may be able to see messages and notifications associated with NPP Payments and other messages addressed to your PayID.

10.4 The collection, use and disclosure of your personal information is also governed by the [Suncorp Group Privacy Policy](#) and [Suncorp Bank Privacy Statement](#).

11 Changes to these PayID Terms and Conditions

Subject to the law and any applicable Code, we can change, add to, delete or vary these PayID Terms and Conditions at any time where it is necessary to comply with the law or any applicable Code or to protect our Legitimate Interests.

For example, we can change, add or remove fees and charges or features, benefits or responsibilities under these PayID Terms and Conditions.

We may be permitted to change these PayID Terms and Conditions without your agreement to do so.

12 Telling you about the changes

- 12.1 Where we change these PayID Terms and Conditions we will give you the period of notice set down by the law, these PayID Terms and Conditions or any applicable Code. If no period of notice is needed, we can make changes, variations, additions or deletions immediately and you might not be told of these before they happen.
- 12.2 For any of the following types of changes to these PayID Terms and Conditions we will give you notice at least 30 days in advance of the change:
- (a) introducing a new fee or charge (other than Government Fees and Charges);
 - (b) increasing an existing fee or charge (other than Government Fees and Charges);
 - (c) changing how we deduct fees and charges;
 - (d) increasing your liability for losses in relation to Electronic Banking;
 - (e) restricting your ability to make Electronic Transactions on your Account;
 - (f) imposing, removing or changing a daily or other periodic limit on Transactions, Electronic Equipment or a facility for performing Electronic Transactions; or
 - (g) if we believe that the change will be unfavourable to you. However, we may give you a shorter notice period, or no notice, of an unfavourable change if we believe doing so is, in our reasonable opinion, necessary for us to manage a material and immediate risk.
- 12.3 If we introduce or change a Government Fee and Charge we will notify you reasonably promptly after the government notifies us of the Government Fee and Charge, however, we do not have to notify you if the government publicises the introduction or change.
- 12.4 If we make any other change to these PayID Terms and Conditions which is not set out in either clause 12.2 or 12.3 then we will notify you no later than the date of the change.
- 12.5 We will notify you of a change to these PayID Terms and Conditions by one or more of the following methods:
- (a) advice on or with your statement; or
 - (b) a notice in writing or on Electronic Equipment (including electronically through Mobile Banking or any other form of internet or online banking); or
 - (c) a notice in the national media, except in the case of a change described in clause 12.2(c).
- 12.6 We may also publish information about changes to these PayID Terms and Conditions in national media in addition to any notice that we provide you as outlined above.

13 Notices from us

- 13.1 You agree and consent to us giving you any notices, disclosure documents and other documents in relation to your PayID or these PayID Terms and Conditions by:
- (a) sending them by post to the last address you gave us;
 - (b) where you provide us with an email address, electronic communication to that email address;

 - (d) electronically through Mobile Banking or any other form of internet or online banking.

If you do not provide us with the consents in paragraphs (b), (c) and (d) above, then we may not be able to create a PayID for you, as these consents may be necessary for us to establish that you either own or are authorised to use your chosen PayID.

- 13.2 Except where it contravenes a law or the ePayments Code, if we send mail to your last known address, it is taken to have been received on the date it would have been delivered in the ordinary course of post. A certificate signed by an officer of Suncorp is evidence of the postage date and that the mail was posted on the date stated in the certificate.
- 13.3 Electronic communications sent by us to your email address or mobile phone number will be taken to be received by you at the time sent (unless we receive an automated message that the electronic communication has not been delivered).
- 13.4 Electronic communications sent by us to you via Mobile Banking or any other form of internet or online banking will be taken to be received by you at the time they were made available via the relevant online platform.
- 13.5 Notwithstanding the consent in clauses 13.1 (b), (c) and (d) above, we may still decide to send you paper copies in certain circumstances including where electronic delivery is unavailable or we reasonably believe your email address or mobile phone number is not receiving the electronic communications we send.
- 13.6 You may request paper copies or withdraw the consent in clauses 13.1 (b), (c) and (d) above, at any time and change to receiving notices, disclosure documents and other documents to your nominated mail address by calling us on 13 11 55. However, if you do withdraw your consent we may need to Close your PayID, as we may no longer be able to establish that you either own or are authorised to use your chosen PayID which we must be able to do to satisfy our obligations under the NPP.
