What is a Target Market Determination?

A Target Market Determination (**TMD**) is a determination that Suncorp Bank has made to:

- describe the class of customers this product has been designed for;
- specify product distribution conditions;
- specify review periods and triggers; and
- set out reporting requirements.

A TMD is not a product disclosure statement and is not a full summary of the product features or the terms of the product. It is not intended to be a customer disclosure document and does not take into account any person's individual objectives, financial situation or needs.

If you are interested in acquiring this product, please carefully read the relevant Product Disclosure Statement (PDS) and terms and conditions before making a decision. This information is available on request.

What is this Foreign Exchange Forward Exchange Contract?

Suncorp Banks Foreign Exchange Forward Exchange Contract allows customers the ability to enter a binding foreign exchange transaction to exchange one currency for another at an agreed exchange rate, on an agreed

When will this TMD be reviewed?

This TMD is effective from 5 October 2021 and will undergo an initial review 12 months later, with subsequent reviews occurring 24 months thereafter. We will also review this TMD if, in Suncorp Bank's view, any of the following Review Triggers occur.

Review Triggers

- there is a significant dealing outside the target market;
- there is a material change in the design and/or strategy for the product, including changes to the distribution channel;
- there is a material change to the fee structure which in Suncorp's opinion negatively impacts the target market of this product;
- there is a material and unexpected increase in the number and in the nature of complaints received about the product;
- there is a material and unexpected increase in the monitoring metrics for the product when compared to expected thresholds; or
- the distribution conditions have in Suncorp Bank's view been found to be inadequate.

An earlier review will also be conducted when other events or circumstances reasonably suggest that the TMD is no longer appropriate.

What information will the bank review?

Internal sources

To monitor for the review triggers mentioned in the previous section, Suncorp Bank will review the following information every quarter from internal sources:

- Complaints information in a format required by Suncorp Bank including the number and the nature of complaints;
- Product and distribution monitoring metrics, including number of transactions terminated, and extended;
- Proportion of customers who are not in the target market who have acquired the product during the reporting period; and
- Material changes to the product including strategy, design, fees, documentation, or distribution.

In addition, the bank will review the following information when conducting a review of this TMD (all obtained internally):

- customer feedback on the product;
- quality assurance.
