Foreign Exchange Value Tomorrow and Value Spot

Issued by Suncorp-Metway Ltd ABN 66 010 831 722; Australian Credit Licence 229882; Australian Financial Services Licence 229882 (**Suncorp Bank**).

What is a Target Market Determination?

A Target Market Determination (**TMD**) is a determination that Suncorp Bank has made to:

- describe the class of customers this product has been designed for;
- specify product distribution conditions;
- specify review periods and triggers; and
- set out reporting requirements.

A TMD is not a product disclosure statement and is not a full summary of the product features or the terms of the product. It is not intended to be a customer disclosure document and does not take into account any person's individual objectives, financial situation or needs.

If you are interested in acquiring this product, please carefully read the relevant Product Disclosure Statement (PDS) and terms and conditions before making a decision. This information is available on request.

What is this Foreign Exchange Value Tomorrow and Value Spot?

Suncorp Bank's Foreign Exchange Value Tomorrow and Value Spot allows customers the ability to enter a binding foreign exchange transaction to exchange one currency for another at an agreed exchange rate on an agreed

settlement date. This product is designed for short 1 or 2 business day settlement options. On the settlement date there is physical delivery of one currency in exchange for the other currency into your Suncorp account. The product is suitable for customers seeking to make an international money transfer, convert one currency to another currency, and for completing a foreign exchange order.

This product is not suitable for a customer seeking:

- a foreign exchange transaction requiring a settlement period greater than two Business Days;
- a foreign currency fixed term deposit;
- a fixed or variable interest rate of return;
- a foreign currency deposit account; or
- to exchange foreign cash or a foreign currency cheque.

What are the key attributes of this Foreign Exchange Value Tomorrow and Value Spot?

This Foreign Exchange Value Tomorrow and Value Spot has the following key attributes:

- an agreement between the customer and Suncorp Bank to exchange one currency for another at an agreed exchange rate, amount, and settlement date;
- fund the transaction on date of settlement;
- settlement is equal to one (Tomorrow) or two (Spot) Business Days from date of agreement;
- agreed settlement date cannot be varied;

- no minimum or maximum amount;
- no cooling-off period;
- it cannot be traded on a market or with anyone else;
- select foreign currencies (full list of available currencies is set out in the Product Disclosure Statement (PDS), as amended from time to time); and
- a restricted ability to access and use the product.

The Foreign Exchange Value Tomorrow and Value Spot is likely to be consistent with the objectives, financial situation and needs of the class of customers in the target market because:

- the product enables customers to enter into foreign exchange transactions with settlement in 1 or 2 business days to support their needs to manage foreign currency risk
- the product enables customers to enter into foreign exchange transactions with settlement in 1 or 2 days that supports their needs to effectively manage cashflow of foreign exchange transactions

Suncorp Bank continuously monitors the consumer outcomes with this product and analyses that the key terms, features and attributes of the product are consistent with the identified class of customers.

What conditions/restrictions are there on how this Foreign Exchange Value Tomorrow and Value Spot product is distributed?

This product can only be sold by Suncorp Bank and is distributed through the following channel with the following conditions/restrictions:

Channel	Distribution Conditions/Restrictions
Treasury	<ul style="list-style-type: none">— by an approved Treasury representative;— following an approved conversation framework;— through General Advice or No Advice; and <p>Where:</p> <ul style="list-style-type: none">— products are directed to customers who are likely within the target market;— applications are submitted using approved Treasury onboarding forms either already completed or as part of acquiring this product;— all marketing must be approved by Suncorp Bank and consistent with this TMD.

The limited and specialist distribution channel and the conditions and restrictions on distribution supported by appropriate platform controls, representative training and approval, sales processes and monitoring make it likely the class of customers who acquire the product are in the target market for whom the product has been designed.

When will this TMD be reviewed?

This TMD is effective from 4 October 2022 and will be periodically reviewed at least every 24 months from the last effective date. We will also review this TMD if, in Suncorp Bank's view, any of the following Review Triggers occur.

Review Triggers

- there is a significant dealing outside the target market;
- there is a material change in the design and/or strategy for the product, including changes to the distribution channel;
- there is a material change to the fee structure which in Suncorp's opinion negatively impacts the target market of this product;
- there is a material and unexpected increase in the number and in the nature of complaints received about the product;
- there is a material and unexpected increase in the monitoring metrics for the product when compared to expected thresholds; or
- the distribution conditions have in Suncorp Bank's view been found to be inadequate.

An earlier review will also be conducted when other events or circumstances reasonably suggest that the TMD is no longer appropriate.

What information will the bank review?

Internal sources

To monitor for the review triggers mentioned in the previous section, Suncorp Bank will review the following information every quarter from internal sources:

- complaints information in a format required by Suncorp Bank including the number and the nature of complaints;
- product and distribution monitoring metrics, including number of transactions terminated, extended, and pre-delivered;
- proportion of customers who are not in the target market who have acquired the product during the reporting period; and
- material changes to the product including strategy, design, fees, documentation, or distribution.

In addition, the bank will review the following information when conducting a review of this TMD (all obtained internally):

- customer feedback on the product;
- quality assurance.
