Other deposits and withdrawals during the course of the fixed term are not allowed, excepted as set out in this document. Once you have opened your Foreign Currency Fixed Rate Term Deposit, the amount, term and interest rate are fixed until maturity. There is a risk that interest rates will move against you during the term. This means you may be unable to take advantage of higher rates because you have fixed your funds at a lower rate. You should contact us with your instructions before the Close Off Time that applies to your currency.

Features	Foreign Currency Fixed Rate Term Deposit	Foreign Currency At Call Deposit
<p>Breaking your deposit before maturity</p>	<p>You cannot withdraw funds from a Treasury Foreign Currency Fixed Rate Term Deposit Account before the maturity date unless you request to break the fixed term and we agree to do so.</p> <p>We may allow you to break your fixed rate term deposit in certain circumstances. Some of the factors we will consider are if you are suffering financial difficulty, the type of business relationship you have with us and if you agree to any interest adjustment applicable.</p> <p>If we agree you will not be able to withdraw your Fixed Rate Term Deposit until after 31 days has expired from the date we agree to the early withdrawal (or the maturity date, whichever is earlier).</p> <p>We will confirm the earliest withdrawal date with you verbally or in writing and on that date, the funds you requested to withdraw will be dispersed as per your maturity instructions. Requests to break a term deposit immediately due to hardship are assessed on a case by case basis. We may ask you to provide documentation to support your request for hardship.</p> <p>If we exercise our discretion in such circumstances, we may reduce the total interest to be paid by our reasonable estimate of the cost considering factors such as market transaction costs, prevailing interest rates, and any charges or costs we incur prior to maturity.</p>	<p>Not applicable as Foreign Currency At Call Deposits do not have a fixed maturity date and funds may be withdrawn on any Business Day, subject to the Close Off Time that applies to your currency.</p>

Features	Foreign Currency Fixed Rate Term Deposit	Foreign Currency At Call Deposit
Interest Adjustment	<p>If you request to break your Foreign Currency Fixed Rate Term Deposit before the maturity date and we agree to do so, you will always receive the principal back.</p> <p>You may lose a portion of the interest earned up to the date you break your Fixed Rate Term Deposit. We determine whether an interest adjustment applies based on current deposit rates for the remaining term after considering the 31- day notice period.</p> <p>If the prevailing Market Rate for the remaining term to maturity (post the notice period) is higher than your original interest rate on your existing Foreign Currency Fixed Term Deposit, an interest adjustment would apply.</p> <p>This will mean that you would earn less interest than you originally expected to receive on the basis that the interest adjustment would be calculated at a higher Market Rate and deducted from your Accrued Interest. If the Market Rate is lower than your original rate, we will not positively adjust your Accrued Interest.</p> <p>Example:</p> <p>You have a Foreign Currency Fixed Rate Term Deposit of USD 150,000 invested for 90 days at 2.07% with interest paid at maturity. On the 16 July 2019, you contact the Foreign Exchange Dealer to break the deposit and you are noticed that the notice period (Break Date) will end on 16 August 2019.</p> <p>The prevailing Market Rate is 2.36% for the remaining 10 days which is above the original Term Deposit Rate and so an interest adjustment is required.</p> <p>Interest Adjustment= Principal Outstanding x ((r- o)/100) x n/360</p>	Not Applicable.

Access to your accounts

You can access your Treasury Foreign Currency Deposit Accounts by contacting your Foreign Exchange Representative by phone, fax, post, email or any other electronic form where agreed.

What are the significant risks?

Exchange Rate Risk

When you exchange your foreign currency to AUD it will be calculated at the exchange rate at that particular time. As exchange rates move up and down during the day, the rate at another time or day could be better or worse. When you exchange the foreign currency held in a Treasury Foreign Currency Account to AUD, the potential risk is that the exchange rate that you are quoted at that time is worse than what it was when you made your original or any additional deposits (if applicable).

When you hold your money in a Foreign Currency Fixed Rate Term Deposit you cannot access it until maturity unless agreed by us, therefore you may be unable to take advantage of any foreign exchange rate movements or interest rate movements.

There is a risk that exchange rates and/or foreign currency interest rates will move adversely. If this happens there is a risk that you could incur an actual loss to the extent that these rates move against you.

AML/CTF and Sanctions Risk

Treasury is bound by laws that impose obligations in relation to the prevention of money laundering and the financing of terrorism. In order for Treasury to meet its obligations under Australian AML/CTF Laws, your Foreign Exchange representative may need to collect certain information from you, conduct ongoing monitoring activities and make reports to AUSTRAC.

Australia, as a member state of the United Nations, also implements United Nations Security Council sanctions and is subject to the Australian Sanctions Laws.

The Australian Sanctions Laws prohibit certain conduct, including dealing with, and making payments to, certain people and entities prescribed on a list maintained by the Department of Foreign Affairs and Trade.

If Treasury is aware, or has reasonable grounds to believe, that you are a prescribed person or entity under Australian Sanctions Law or any international sanctions law that applies to Treasury, or if Treasury otherwise believes it necessary in order to comply with Treasury's obligations under applicable anti-money laundering and counter-terrorism financing or sanctions laws, then Treasury may require you to provide certain information, suspend, cancel or refuse you services, or close or terminate any account, facility, transaction (including FX Products), arrangement or agreement with you. We may also be required to freeze your assets. Where Treasury takes these actions, it will have no liability to you or any associated party.

You could incur a significant cost as a result of these actions.

Treasury may take any action it considers necessary in order to comply with anti-money laundering and counter-terrorism financing or sanctions laws, including but not limited to disclosing information held about you to our related bodies corporate or service providers, other banks, or relevant regulatory and/or law enforcement agencies in Australia or overseas.

General information

Acceptance to the Terms and Conditions

You agree that you accept the Terms and Conditions and that they apply to you and your Account when:

- (a) you, a person authorised by you, an Authorised Dealer or Authorised Signatory of the account initiates or makes a transaction on your account; or
- (b) you, a person authorised by you, an Authorised Dealer or Authorised Signatory of the account accepts these Terms and Conditions in writing.

Definitions and Interpretations

Many of the words that have particular banking or legal meaning are described in the 'Important Terms' section at the end of this document.

Headings used are a guide only. Singular references include the plural and vice versa.

Any reference to "includes" is given by way of example and is not intended to limit the term it applies to.

Each reference to a time is a reference to the time in Sydney, Australia unless expressly stated otherwise.

Subject to our legal obligations, we may exercise our discretion in any manner we think fit to protect our Legitimate Interests.

The parties agree that it is their intention that, in the interpretation of these Terms and Conditions:

- if possible, words which have an ordinary meaning are given that meaning;
- these Terms and Conditions are to be interpreted broadly;
- if a general term is used, it must be given a broad meaning; and
- general terms must not be limited because of any rules of interpretation.

There are some words, abbreviations and phrases that apply to particular products or services we provide or may provide, that are defined in certain clauses of these Terms and Conditions.

Where those words, abbreviations and phrases are defined in a particular clause of these Terms and Conditions those meanings only apply to the particular clause they appear in and will prevail over any equivalent word, abbreviation or phrase in this clause.

If any clause in the terms and conditions for a particular product or service we provide or may provide that is inconsistent with any other clause or provision of the Terms and Conditions, the parties agree that these Terms and Conditions shall prevail to the extent of the inconsistency to the extent allowed by law.

Severability

If a mandatory law or Code binding on us would apply to a particular provision so that it would make that provision void, unenforceable or in breach of the applicable law or Code, then the relevant provision will be:

- (a) read down; and
- (b) construed as if it were varied so we are not required or permitted to apply or rely on that provision in a manner or to an extent that is inconsistent with that law or Code.

This provision prevails over any other provision in these Terms and Conditions.

If, despite this clause any provision is void, unenforceable or remains in breach of a law or Code, then that provision will be treated as ineffective and severed to the extent only that the provision is void, unenforceable or in breach but without invalidating the other parts of this document.

AFMA OTC market conventions

Where applicable, Suncorp endeavors to follow the Australian Financial Markets Association (AFMA) Over the Counter (OTC) Market Conventions.

The conventions are not legislative or prescriptive in nature. Rather, they are intended to mirror the consensus view of the market as to what are the most common practices in the respective markets. Notices from us

Any notice or other document may be given by us by our sending it to your last known email or postal address (as last advised by you). Except where it contravenes a law or the ePayments Code, if we send it to your last known email or postal address, it is taken to have been received on the date it would have been delivered in the ordinary course. A certificate signed by an officer of Suncorp is evidence of the postage date and that the mail was posted on the date stated in the certificate.

Changing Your Details

You must contact us promptly if you or any person authorised to make transactions on your behalf changes name, signature, residential address, postal address, phone, fax number or email address.

You must also advise us promptly if you change your bank account details, Standard Settlement Instructions, or Authorised Dealer or Authorised Signatory.

If you would like to change the name on your product (e.g. due to marriage, change of a company name) please contact us for details of our requirements.

If we become aware of any changes to your account details, we can take reasonable steps to amend our account records and where practicable, we will advise you of any changes.

Our rights

We can exercise our rights at any time within the limits of the law. If we delay in exercising our rights, this does not mean we give up those rights.

Identity

By law, we must be sure of your identity and hold certain information about you and other relevant parties (for example, beneficiaries, shareholders) before you open an account.

Otherwise, we may not be able to open an account for you. To comply with the law, you must provide any information and/or documentation we request.

In addition, from time to time we may request further information and/or documentation from you to assist the Bank in meeting our legal obligations. You must provide such information and/or documentation when requested.

If you are an existing Suncorp customer you will not generally be required to repeat the customer identification process, however you will need to identify yourself if we ask.

Taxation

The Income Tax Assessment Act 1997 (Cth) determines whether any interest you earn will be taxable. The Taxation Administration Act 1953 (Cth) imposes the obligation on investment bodies to collect customers' Tax File Numbers and ABNs which we must quote to the Australian Tax Office and other foreign regulators as required by Australian law.

We will not quote Tax File Numbers or ABNs to anyone else. You can decide whether or not to give us your Tax File Number or ABN when you open an Account with us.

If you choose not to tell us your Tax File Number or ABN, we must by law deduct from any interest we pay you, an amount of tax calculated at the highest marginal rate plus Medicare levy and send it to the Australian Taxation Office.

Children under 16, pensioners and others who do not have to lodge tax returns can claim an exemption from having to supply a Tax File Number.

If you live outside Australia, non-resident withholding tax will be deducted from any interest your Account earns unless you have an exemption. You can ask the Australian Taxation Office for an exemption if you are living overseas temporarily or if you are a member of the armed forces serving overseas.

If you have an approved exemption you should tell us. For any advice in this regard we suggest that you obtain independent advice from your registered tax advisor or accountant.

For more information about Tax File Number regulations, contact the Australian Taxation Office on 13 28 61.

FATCA

Australian financial institutions, such as Suncorp, must provide the Australian Taxation Office (ATO) with information about financial accounts held by U.S. persons. This is due to the Foreign Account Tax Compliance Act (FATCA) Agreement between Australia and the US. Consequently, you may be requested to provide certain information to Suncorp. You must advise us promptly if your tax residency changes and either advise us of the foreign Tax

Identification Number or a reason why the Tax Identification Number is not provided. The ATO is required to provide this information to the U.S. Internal Revenue Service.

Common Reporting Standard

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (CRS) applied to Australian financial institutions with effect from 1 July 2017. The CRS requires Suncorp to report information regarding certain accounts to the ATO and follow related due diligence procedures. Suncorp is obliged to collect certain information and report it to the ATO to ensure compliance with the CRS. You must advise us promptly if your tax residency changes and either advise us of the foreign Tax Identification Number or a reason why the Tax Identification Number is not provided. The ATO may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement.

Opening accounts

Providing our account opening requirements (including any applicable eligibility criteria) are satisfied, accounts can be opened in the name of an individual, a company, partnership, association, business etc. or as trustee for another party.

Joint accounts can be opened by two or more persons or entities.

An account must be opened in the name of the correct legal entity.

In order to open an account, you need to complete any form required by us to be completed, which give us the details we need to set up an account for you and anyone else who will use the account. You must also give us any other information we require about you to open the account.

Subject to law, we can choose not to open an account without giving you a reason. The following, among other reasons, will prevent you from opening an account:

- you are an undischarged bankrupt; or
- you suffer from a serious illness that means you are legally unable to manage your financial affairs.

Joint accounts

How to operate a joint account

A joint account is held by more than one person. All account holders need to agree on who has access to the account and how. We need this advice in writing.

If one of you asks us in writing to change the authority to operate so that all of you must sign, we will do so. If we become aware of a dispute, we may change the way the account can be accessed and require that all of you must sign. If one of you dies, any funds in the account belong to the remaining joint owners.

Stopping operating on a joint account

The joint account cannot be accessed if any one of the account holders asks us in writing to stop transactions and we agree. After that, all account holders must agree in writing to any further transactions being done by any account holder or operator (except for deposits).

Where a request to stop transactions is received and agreed to by us any telephone banking access and internet banking access will be cancelled.

Statements

At least once every 6 months, or where otherwise required by a law or Code we may give you a statement showing all transactions on your At Call account. You can ask for a statement relating to your At Call account at any time. However, you must produce suitable identification. We will give the statement to you as soon as possible unless the law permits us not to do so. You can also ask for copies of previous statements. We can charge a fee to provide statements. If a Foreign Currency Fixed Term Deposit has a term of greater than 6 months a Confirmation will be issued each 6-month anniversary of the deal date.

Closing your account

You can ask us to close your At Call account at any time.

There are no fees payable on closing a Suncorp Treasury account although if you're breaking a Fixed Rate Term Deposit an adjustment to interest earned / payable may apply.

If your account is a joint account, it can only be closed in accordance with the authority to operate the account that we hold. If more than one account holder is required to operate the account, then that number of persons is required to authorise the account to be closed.

You must pay us for any fees or interest that results from transactions being posted to your account after the account has been closed.

In addition to any circumstance set out in the Terms and Conditions for Treasury, we can close your account immediately without telling you first if:

- (a) you break the Terms and Conditions or any of the terms and conditions of any loan contract, Derivative Master Agreement or ISDA Master Agreement in a material manner;
- (b) to protect our Legitimate Interests;
- (c) we are required to by law or to meet our prudential requirements;
- (d) you have given us false or misleading information;
- (e) you act in a manner that in our reasonable opinion threatens the security of our staff or property or any other person.

Under other circumstances, we will give you reasonable notice if we intend to close your account.

If your account is closed, you will be required to:

- (a) follow our rules for closing accounts;
- (b) complete any forms or indemnities we need;

- (c) repay any reasonable costs we have in closing your account; and
- (d) meet any responsibilities you had under these Terms and Conditions before your account was closed.

When your account is closed, any credit balance and any Accrued Interest will be paid to you. If there are any outstanding fees, charges or other amounts owing to us we will deduct these first.

Please note where the AFMA OTC Market Conventions apply you should refer to the relevant Product Information Document or Product Disclosure Statement where available for information on how to give us Instructions, as the method of Instruction may differ from product to product.

- (b) Where there is any inconsistency between this section and any term or condition of any ISDA Master Agreement or Derivatives Master Agreement this section shall prevail to the extent of the inconsistency.

Dealing authority and Power of Attorney

Dealing authority

You are able to give up to four people the authority to provide instructions and transact on your behalf. This means that they will be able to fully operate your Treasury account and will be allowed to make deposits and withdrawals and conduct other transactions.

To authorise an individual to act on your behalf they must be listed on the Client Details Form (or such other forms we may require from time to time), which must also be signed by you and complete the customer identification process.

You can specify what the person you appoint can do and which accounts they can access by completing the Special Instructions section of the Client Details Form (or such other forms we may require from time to time). If you want to change or cancel the appointment of the person, you must provide original written advice detailing all changes, signed by you or another Authorised Signatory.

The appointment may also cease once we are notified of your death or that you have become mentally incapacitated or in the case of a business, resignation or change of role of the Authorised Signatory.

We only accept telephone transaction instructions from an Authorised Dealer. We only accept written instructions of any kind from an Authorised Signatory.

A person can be both an Authorised Dealer and an Authorised Signatory.

Power of Attorney

You can appoint a person to be your attorney under a Power of Attorney to transact on your behalf.

We must have an acceptable, certified copy of the original Power of Attorney and complete the customer identification process before an attorney can access an account/product. You must tell us as soon as possible if you cancel, change or revoke the Power of Attorney.

Risks with appointing dealing authorities and Powers of Attorney

You appoint a dealing authority or an attorney at your own risk.

You are responsible for any transactions that person makes on your behalf, even if you do not know about the transactions.

You must not give your Telephone Access Code, any password or other secret code or Access Method we give you to the appointed person or anyone else. We may issue a separate Telephone Access Code, password or other secret code or Access Method to any appointed person you have authorised to operate your account/product.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not responsible for a dealing authority/attorney or the way that a dealing authority/attorney accesses an account/product. Subject to law, unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not liable for any loss or damage caused by a person you have authorised to operate on your behalf.

Trusts

If you are the trustee, you:

- (a) must act according to the terms of the trust and for the benefit of the trust and its beneficiaries;
- (b) must not misuse the trust funds or use any rights you have against the trust funds;
- (c) agree to these terms and conditions as trustee and in your own personal capacity;
- (d) must be the only trustee (unless we agree to something different in writing);
- (e) must not breach the terms of the trust for as long as you have the account/product.

All transactions must follow the trust's guidelines. You must be authorised as trustee as well as complete the customer identification process to agree to the Terms and Conditions and any particular conditions.

Companies, partnerships and incorporated associations

If the account and/or product holder is a company, partnership or incorporated association we can only accept instructions/requests in the way the rules of the company, partnership or incorporated association allow.

If any director, partner or authorised office holder requests in writing that a hold be placed on the account, we can do this. If you request us to change the way an account is operated, you need to provide appropriate authority satisfactory to us, before we can make any changes.

If we become aware of a dispute, we may place a hold on the account or change the way the account is operated.

Errors on statements or confirmations, mistakes and unauthorised transactions

You must read statements and other records and write to us promptly if there is a mistake, if information is missing or if statements show transactions you did not make.

If you detect an error or believe a transaction was not authorised by you or that an amount has been credited to your account that you may not be entitled to, you must notify us as soon as you become aware of the transaction.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, where moneys have been transferred by you to another account in error or by mistake you are solely responsible in relation to correcting that error and any loss suffered.

Where moneys have been transferred to you by someone else or you in error, you agree:

- (a) we may in our sole and absolute discretion disclose (disclosure to which you consent by the opening of your account) to the payer, the name and number of your account where your account has been incorrectly credited;
- (b) in the event of a dispute we may pay the funds to a court pending resolution of any dispute;
- (c) we may in our absolute discretion on forming a reasonable opinion that your account has been incorrectly credited in error, freeze that amount in your account or reverse those funds from your account or deduct the amount of those moneys from your account.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not responsible for any loss you may suffer due to errors, inaccuracies or omissions in relation to authorised but mistaken instructions given to us for the operation of your account and/or product.

Some transactions are governed by the ePayments Code. We will comply with the requirements of any law, code or scheme applying to any disputed transaction.

Automatic Payments and payments between institutions

- (a) You may request your Foreign Exchange Representative to transfer any credit balance in your account (or any part thereof) to another account at Suncorp or to an account at another financial institution; and
 - (b) You can transfer money held in the same foreign currency to your account from another account at Suncorp or another financial institution;
 - (c) provided the nominated account is in the same name as the investment being drawn on.
- No Australian dollar third party payments can be made. Automatic Payments are not allowed.

Please contact a Foreign Exchange Representative for details regarding payments. We can charge a fee for these transfers if we agree to provide them.

Payment will only be made if your account has sufficient Clear Funds. If there is only enough money to make some payments, in the absence of any other specification from you, we decide when and what payments to make.

Where the transfer is to or from another institution, unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations we are not liable to you for any time taken before those funds are transferred to or from the other institution. In some instances, the funds may not be transferred until the second working day after a weekend or public holiday.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not responsible for any errors or omissions in respect of disbursement of payment by the receiving institution.

If you arrange to send a payment to us or ask us to send a payment to another institution we will direct the transaction electronically to the intended account using only the BSB and account number information you give us. The account name may not be used to validate that the transaction has been posted to the correct account.

You should ensure you provide the correct BSB and account number details when you request any transfer payment. Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not liable to you for transactions that are directed to an incorrect account.

Cash and Cheque deposits

Cash deposits or withdrawals are not allowed. Cheque deposits and withdrawals are not allowed unless we otherwise agree.

Cheques drawn on an overseas institution cannot be deposited into Treasury Foreign Currency Deposit Account.

Set off

You agree that we can set off and/or apply the credit balance of any account that you have with us against any debt owed by you to us, without your prior consent. Where we are contractually obliged to do so, we will advise you as soon as practicable after the set off has occurred.

If we exercise this right, we will withdraw the amount you owe us from the credit balance in your account and apply this amount to reduce any other amount you owe us.

Confirmations

We will send you a Confirmation of transactions made and the terms applying to same via fax, email or in any other electronic form where agreed from time to time. The Confirmation will be conclusive evidence of the transaction made and terms applying to same unless you advise us otherwise, within 3 days of receipt of the Confirmation.

If you advise us of any incorrect information contained in the Confirmation within 3 days of receipt of the Confirmation we will proceed to investigate and attempt to resolve the disputed information. In doing this, we will comply with the requirements of any law, Code or scheme applying to any disputed transaction.

Losses and errors

An unauthorised transaction, that is a transaction you do not authorise, does not include any transaction carried out by you or by anyone performing a transaction with your knowledge and consent.

Where you do not authorise a transaction, you will not be responsible for losses that are:

- (a) caused by fraudulent or negligent conduct of our staff or agents of ours or companies involved in networking arrangements or merchants or their agents or employees;
- (b) losses that are caused by the same transaction being incorrectly debited more than once to the same account.

Where it is clear that you have not contributed to any loss caused by unauthorised transactions you will not be liable.

When you are liable for losses

You will be liable for losses resulting from unauthorised transactions where on the balance of probability we can prove that you contributed to the losses through fraud. We are not responsible for any loss suffered if the account numbers, BSB or amounts of transactions you authorise are incorrect or invalid or if you authorise transactions more than once in error.

You must check the details of each transfer and each transaction in a payment and ensure that the accounts, BSB and amounts are correct. Once you authorise transactions to be processed we will not be able to stop, withdraw, suspend or delete the transfer, change any details or recover the funds.

If a transfer is unable to be processed by the receiving financial institution, the funds will be returned to your account. This may take approximately 5 days but can take longer depending on the other financial institution.

If an electronic transfer to another financial institution fails, it is possible that the funds returned to us and subsequently returned to you, may be less than the funds originally transferred due to failure fees charged by the other financial institution or market movements in exchange rates if the return of funds involves an exchange.

Overseas transactions

Exchange Rates

Transactions processed in foreign currency may be converted to Australian dollars using the exchange rate specified by your Foreign Exchange Representative at the time of processing.

Margin

The exchange rate applied in conversion against AUD is determined by the market foreign exchange rate, plus a margin which is the difference between the market foreign exchange rate and the foreign exchange rate we quote for your foreign currency transaction. The margin may be retained by us.

The size of the margin is determined in our discretion on a transaction by transaction basis, with the notion of compensating Suncorp for its internal costs and risks involved in entering the transaction. Possible factors that may influence the size of the margin include but are not limited to: the volume and frequency of transactions, the currency pair, our internal cost

and profit margin, and your business relationship with Suncorp itself or the greater Suncorp group (if applicable).

Legal Requirements

Transactions processed in foreign currency are subject to any laws that apply. If we have reasonable grounds for thinking that your overseas transaction breaks any law applying at the time, we can refuse to process it.

Telegraphic Transfers

Whenever you instruct us to send a Telegraphic Transfer:

- (a) We may use overseas banks, called Correspondent Banks, to act on our behalf when completing a Telegraphic Transfer. To the extent permitted by law, we shall not be liable for any loss or damage suffered as a result of us acting on your instructions in good faith, or delays from us or any Correspondent Banks making payment pursuant to these instructions, or from errors in the Beneficiary Bank details you provide, or for any loss or damage resulting from any act or omission of any Correspondent Bank.
- (b) The time taken for a payment to be received by the Beneficiary depends on the banking systems of the countries of Correspondent Banks through which the payment is made and the provision of correct and complete Beneficiary Bank Details. The money sent overseas will normally be available for payment to the Beneficiary between 2 to 5 Business Days from when we have processed your instructions in accordance with the Telegraphic Transfer Application. The time in which your payment is received by the Beneficiary is subject to circumstances beyond our control (e.g. international communications failure and/or problems or delays in the processing of our payment message by the Correspondents). Payment of the transferred money to the Beneficiary Bank is the responsibility of Correspondent Banks and the timing of the payment is therefore beyond our control. All enquiries to Correspondent Banks concerning payment will be at your cost.
- (c) If we or any Correspondent Banks has reasonable grounds for suspecting or believing that the overseas Transaction directly or indirectly contravenes or will contravene any applicable law, including but not limited to, anti-money laundering and anti-terrorism laws and regulations, we can refuse to process it and reserves all its rights to disclose the Transaction to any government entity, regulatory authority or to any other Person we reasonably considers necessary for these purposes. We or any Correspondent Banks will not be liable for any loss or damage suffered due to the Transaction contravening any such laws.
- (d) It may be necessary for us to disclose your personal information to complete this Transaction, including name and address, outside of Australia. By requesting us to process a Telegraphic Transfer, you acknowledge that Australian Privacy Principle 8.1 will not apply to any such disclosure and acknowledge we will not be obliged under the Privacy Act to take reasonable steps to ensure that an Beneficiary does not breach the Australian Privacy Principles and we will not be liable if the Beneficiary does breach the Australian Privacy Principles. You consent to such disclosures.

- (e) To the extent permitted by law, you agree to keep us indemnified against any claims that may be made against us by reason of us having acted on the instructions contained in the Telegraphic Transfer Application.
- (f) In addition to our fees and charges, the processing of an Telegraphic Transfer may be subject to fees and charges from our Correspondent Banks involved in the Transaction. There may be more than one Correspondent Bank involved, each of which may seek reimbursement for their services. We will instruct the Correspondent Banks to deduct their fees from the payment. In some instances, we may receive a rebate from the Correspondent Bank. Where such fees and charges are deducted, you must assume that the Beneficiary will receive a lesser amount than the amount originally sent. If a Correspondent Bank fails to observe these instructions for any reason, you will have to reimburse us for any additional fees or charges which they may impose on us.

Financial Claims Scheme

The Foreign Currency Account is not a “protected account” under the Banking Act 1959 with the result that the priority available to protected accounts under section 13A(3) (c) of the Banking Act will not apply to Foreign Currency Accounts.
