

## What you need to clean your car like a pro

### Equipment

- Three buckets
  - One for washing
  - One for rinsing
  - One for the wheels
- Long and short handled brushes for wheels and wheel-guard cleaning
- Quality microfiber washing mitts
- Quality microfiber drying and buffing towels
- Small portable air-blower (re-chargeable battery type)
- Electric pressure-washer unit
- Garden hose (with cut-off tap) for rinsing

---

### Cleaning and detailing products

- Wheel Cleaner spray (loosens dirt and brake dust)
- Pre-wash soap
- Quality car wash liquid detergent (non-alkaline)
- Bug and insect remover spray
- Protective detailing spray
- Glass cleaner spray
- Tyre dressing spray and sponge applicator

---
