PDS Update

Below is a non-materially adverse update to the Suncorp Car Insurance Product Disclosure Statement prepared 21 March 2018 (the PDS).

What is the change?

Replace the 'Driver history excess' wording within the table 'The different types of excesses' under the 'Your Excess' section on page 31 of the PDS with the following:

This excess applies if a listed driver who has had their licence cancelled, suspended, disqualified or restricted in the 3 years prior to the start of the period of insurance was driving, using or in charge of your car at the time of the incident. This excess is in addition to any other excess that applies.
