Quick facts about Suncorp Funeral Insurance

Sometimes it’s tempting to not read insurance documents from cover to cover. We appreciate that, but we encourage you to read this document because understanding your Suncorp Funeral Insurance policy is important. To help you out, below are some quick facts about your cover and premium. We’ve also included references to where, in this document, you can find more detail.

Funeral Benefit (full details Section 4.1)

Your premiums (full details Section 8)

You have a choice of premium options and you should think about which suits you and your budget. You can choose between the following:

— A stepped premium which increases each year as you age; or
— A level premium which starts out higher but does not increase each year as you get older.

Regardless of your choice between stepped or level premiums, we offer the Automatic Indexation Benefit (see Section 4.4) which increases your sum insured each year in line with inflation (to a maximum of 10%). Your premium will increase to reflect any increase to your sum insured unless you choose to decline it.

For both premium options, you will not pay any premiums after the policy anniversary when you are aged 85. Your cover will continue at no cost to you.

Value Promise (full details Section 4.7)

Depending on how long you hold your Suncorp Funeral Insurance policy, you may pay more in premiums than your sum insured. At claim time, we will compare your cover amount to the amount you have paid in premiums and, if eligible for payment of the Funeral Benefit or Early Payment Benefit, we will pay whichever amount is greater. This means that you will never pay more in premiums than will be received at claim time.

Now that you know the key facts, read on to learn more detail about your cover and other benefits available on your Funeral Insurance policy.
1.0 Important information

This is the combined Product Disclosure Statement and Policy Document (together herein referred to as ‘PDS’) for Suncorp Funeral Insurance. Suncorp Funeral Insurance, this PDS and your schedule are issued by Suncorp Life & Superannuation Limited ABN 87 073 979 530 AFSL 229880 (Suncorp).

When reading this PDS, please refer to Section 14 Glossary which shows the meaning of various terms italicised throughout.

Suncorp is a related body corporate of Suncorp-Metway Limited ABN 66 010 831 722 (Suncorp-Metway). Various products and services are provided by different entities in the Suncorp Group. The different entities of the Suncorp Group are not responsible for, do not guarantee and are not liable in respect of products and services provided by other entities in the Suncorp Group. Suncorp-Metway does not guarantee and is not liable for Suncorp Funeral Insurance. This product is not a bank deposit or other bank liability.

If you are issued a Suncorp Funeral Insurance policy, this PDS, together with the schedule, constitutes your insurance policy and is evidence of your insurance with us. You should read this document in conjunction with the schedule because together they contain important information relating to your policy. Please keep this PDS and your schedule in a safe place. Your schedule is issued to you based on the information provided by you, to us on your application for insurance.

Suncorp Funeral Insurance is not a savings plan. The primary purpose is to provide a benefit under the terms and conditions of the policy in the event of a claimable event.

All the information contained in this PDS is current at the time of issue. We may change or update any information in this PDS from time to time. If the change is not materially adverse, we may notify you about that change by preparing an update on our website, www.suncorp.com.au/funeral. You can also obtain a printed copy of this free of charge by contacting us (please refer to the back cover for details). If the change is a material or significant one, we will generally notify you within 3 months of the change occurring. We may also make improvements to your policy without any increase
to your premium. If we make a change to your policy which in your opinion was adverse to you, we will, if you make a claim, assess your claim on the terms of the policy before the change took place.

If you are issued a Suncorp Funeral Insurance policy, you are the policy owner and insured person listed on the schedule. You are covered for the insured events under your policy 24 hours a day, every day of the year. If premiums payable under the policy are paid (please refer to Section 8 Your premium), your policy will continue, unless your policy stops earlier (please refer to Section 6 When will cover stop?).

Before you buy this insurance, please read this PDS carefully, including Section 7 When we won't pay. Any information contained in this document has been prepared by Suncorp without taking into account your particular objectives, financial situation or needs. For that reason, before acting on the information, you should consider the appropriateness of the information in regard to your own circumstances.

For details on how to contact us, please refer to the back cover.

2.0 Who can apply?

Applicants for a single life or a joint life Suncorp Funeral Insurance policy must:

— be aged between 45 and 75 (inclusive),
— be an Australian or New Zealand citizen or permanent resident and residing in Australia at the time of application; and
— have received this PDS in Australia.

Once you have provided us correct payment details and we have accepted your application, you will be covered for the benefits outlined in this document 24 hours a day, every day of the year, anywhere in the world.

We guarantee to renew your policy every year, but you should be aware there are times when your policy will stop earlier (please refer to Section 6 When will cover stop?).
3.0 Your cooling off period

You have 30 days from the policy commencement date to check that this insurance meets your needs. This is the cooling off period.

You can cancel your policy during this cooling off period by notifying us, and confirming your identity, in writing or verbally. Provided you have not made a claim, you will receive a refund in full of any money you have paid.

4.0 Details of cover and benefits

When you apply for a Suncorp Funeral Insurance policy, you choose the level of cover you think you need. The minimum amount you can apply for is $5,000 and the maximum amount, in increments of $1,000, depends on the premium type you choose.

For stepped premiums, the maximum sum insured at application is $30,000

For level premiums, the maximum sum insured at application is $15,000

Payment of a benefit is subject to our acceptance of your claim (please refer to Section 12 Claims). The most we will pay under this Suncorp Funeral Insurance policy is the sum insured for each insured person plus any Value Promise that may be applicable (refer to section 4.7). The maximum amount we will pay across all funeral insurance policies issued by us for the same insured person is $30,000 (plus indexation) or $15,000 (plus indexation) if you have chosen a level premium.

For single life policies

If you are the only insured person listed on the schedule, you are the sole owner of the policy. You will be asked to nominate a beneficiary to receive any benefit payable on your death. If you do not nominate a beneficiary, any benefit payable on your death will be paid to the legal personal representative of your estate.
For joint life policies

If you are applying for a joint policy, your schedule will show two insured persons who are also joint policy owners. The sum insured for each insured person can be different but the premium option you choose must be the same. If you would like to choose different premium options, each applicant should apply for a single life policy.

Joint policy owners will be asked to nominate a beneficiary to receive any benefit payable upon the death of one or both of the insured persons. If you choose to nominate a beneficiary, each insured person must sign the nomination. If no beneficiary is nominated, any benefit payable under your policy following the death of a policy owner will be paid to the surviving policy owner or your estate if there is no surviving policy owner.

As the joint owner of the policy and an insured person, you can cancel the benefits of the policy that are relevant to you without the need of the other policy owner’s signature (please refer to Section 6 When will cover stop?).

Each insured person listed on the schedule is entitled to the following benefits under your policy:

4.1 Funeral Benefit

During the first 12 months of your policy, we will only pay your Funeral Benefit if your death is as a result of an accident. The accident must occur after your policy commencement date. After the first 12 months of your policy, we will pay your Funeral Benefit if your death is as a result of any cause.

Your Funeral Benefit will not be payable if you die during the first 12 months after your policy commencement date as a result of:

— an accident that occurred prior to your policy commencement date;
— a sickness; or
— an intentional self-inflicted act.

If this happens, we will refund all premiums paid under your policy.

We must receive notice of any claim for payment of the Funeral Benefit as soon as reasonably possible.
Please refer to Section 6 When will cover stop? for when the Funeral Benefit under this policy will cease.

4.2 Early Payment Benefit

If you are terminally ill, we will advance your full Funeral Benefit, helping you to arrange your financial affairs. The Early Payment Benefit is not payable until after your first policy anniversary.

We must receive notice of any claim for the Early Payment Benefit as soon as reasonably possible.

Please refer to Section 6 When will cover stop?, for when the Early Payment Benefit under this policy will cease.

4.3 Premium Pause Benefit

You may choose to activate the Premium Pause Benefit which allows you to stop paying your premium payments for up to 3 months over the life of the policy. While your premiums are paused, your Suncorp Funeral Insurance policy will only cover you in the event you die as a result of an accident. After the pause has ended, and you have restarted paying your premiums, your Funeral Benefit will again become payable in the event of your death as a result of any cause.

While premiums are paused, cover under the Early Payment Benefit will not apply. After the premium pause has ended, and you have restarted paying your premiums, cover under the Early Payment Benefit will again become payable if you are terminally ill.

To activate your Premium Pause Benefit, you must have paid premiums for the previous 12 consecutive months.

The Premium Pause Benefit stops on the policy anniversary after your 85th birthday, unless cover stops earlier (please refer to Section 6 When will cover stop?).

4.4 Automatic Indexation Benefit

To help keep your insurance in line with the cost of living, your sum insured will be increased on your policy anniversary each year by the indexation factor to a maximum of 10%. This means your premium will be recalculated to reflect the increased sum insured and your age if you have chosen the stepped premium option. If you have chosen the level premium
option, any increased amount as a result of the Automatic Indexation Benefit will be calculated on the rate for your age at the time of the increase.

We will advise you of your new premium prior to your policy anniversary, and give you the opportunity to decline the increase. If you ask us to not apply the indexation factor, your sum insured will not change.

The Automatic Indexation Benefit stops on your 85th birthday, unless cover stops earlier (please refer to Section 6 When will cover stop?).

4.5 10% Cash Back Benefit

Once you have continuously held your policy for three years, we will refund 10% of the premiums you have paid. We will do this every three years if you continue to hold your policy, meaning that you will receive a 10% refund on every third policy anniversary.

For example, if you have paid us $1,000 in premiums in the first 3 years since your policy commencement date, we will refund $100. If you pay $1,500 in the next 3 years, we will refund $150 after the 6th anniversary of your policy commencement date.

4.6 Premium Freeze Benefit (stepped premium option only)

If you choose the stepped premium option, your premium will be recalculated each year as a result of your age. The Premium Freeze Benefit allows you to stop this increase, meaning your premium will remain the same but your sum insured will decrease as you get older. We will advise you of your reduced sum insured prior to each policy anniversary. You can ask us to end the premium freeze at any time by contacting us.

The Premium Freeze Benefit stops on the policy anniversary after your 85th birthday, unless cover stops earlier (please refer to Section 6 When will cover stop?).
4.7 Value Promise

At time of claim for the Funeral Benefit or the Early Payment Benefit, we will compare your sum insured to the amount you have paid in premiums (less any 10% Cash Back Benefit) over the life of your policy and, if eligible for payment, we will pay whichever amount is greater.

For example, if your sum insured is $8,000 and, over the life of your policy, you pay $9,000 in premiums, we will pay $9,000 at claim time. This means you will never pay us more than the amount received at claim time.

4.8 Nominate a beneficiary

Nominating a beneficiary (for example your spouse) to receive the proceeds of your policy may help avoid any potential delay in the payment of your Funeral Benefit. You can nominate a beneficiary by completing the form you will receive in your Welcome Pack and returning it to us. If you are joint policy owners, you may make a joint beneficiary nomination, signed by both policy owners, so that any payment under the Funeral Benefit can be made to the person you both nominate.

If you have made a valid nomination and a nominee cannot be located or they died before you, the benefit otherwise payable to them will be payable to the legal personal representative of your estate.

If a nominated beneficiary is a minor, the payment will be made to the minor’s legal guardian, a trust for the benefit of the minor, or to any person we are authorised to pay under the relevant law.

If you change your mind, you can alter your beneficiary nomination at any stage by completing a new Nomination of Beneficiary form. A nomination is effective once it is confirmed by us in writing.

If you have a jointly owned policy and do not make a nomination, any payment made under the policy will be paid to the surviving policy owner or your estate if there is no surviving policy owner.
5.0 When does cover start?

Your policy will start on the policy commencement date shown on your schedule. As long as each person to be insured satisfies the eligibility requirements (please refer to Section 2 Who can apply?), cover under your Suncorp Funeral Insurance policy will commence on the date we accept your application and receive correct payment details.

Once we accept your application for cover under Suncorp Funeral Insurance, we will send you a schedule confirming our acceptance. This PDS and your schedule set out the full terms and conditions of your insurance with us. Please read these documents carefully and store them in a safe place.

6.0 When will cover stop?

Your policy has no expiry date but there are some circumstances under which cover will stop.

Cover will stop under this policy on the earliest of:

- the date the Funeral Benefit is paid;
- the date the Early Payment Benefit is paid; or
- the date the insured person dies.

Cover will also stop for all insured persons under the policy on the earlier of the following events:

- you ask for your policy to be cancelled; or
- the date your policy is cancelled due to non-payment of outstanding premiums.

If there is more than one insured person listed on the schedule and cover stops or is cancelled for one of them, cover will continue for the remaining policy owner and the premium will be adjusted to cover the remaining insured person only.

We will not consider any claim, unless the event giving rise to the claim occurred while your policy was still in force. We may also cancel this policy on any grounds permitted under relevant law by telling you in writing.
7.0 When we won’t pay

We will not pay the Funeral Benefit if you die during the first 12 months after your policy commencement date as a result of:

— an accident that occurred prior to your policy commencement date;
— a sickness; or
— an intentional self-inflicted act.

We will not pay the Early Payment Benefit during the first 12 months of your policy. If you are terminally ill before this time, your policy will continue provided you continue to pay premiums.

8.0 Your premium

Your premium pays for your cover, government fees and charges and administration costs.

The premium you pay is determined by multiplying your sum insured by the applicable premium rate. A discount may also be applied. Please refer to section 8.1 to determine if you are eligible for a discount.

When you reach the policy anniversary after your 85th birthday, we will stop charging you a premium and your cover will continue at no cost to you unless cover stops earlier (please refer to Section 6 When will cover stop?).

We guarantee that we will not change your premium for 12 months from your policy commencement date. After this, your premium may increase depending on whether you select the stepped or level premium option (explained on the next page) and whether you accept indexation (refer to section 4.4).

We can also change the premium rate for all policies of the same kind at any time. In the event we apply an increase to policies of the same kind, we will provide you with at least 30 days’ notice and you will be charged the new premium from your next policy anniversary.

We will send you a notice prior to each policy anniversary confirming your premium.

Premiums received are paid into our No. 1 statutory fund. A policy issued in relation to Suncorp Funeral Insurance is not eligible to participate in any surplus arising in our statutory fund.
Premium options

You can choose between the following premium options:

Stepped premiums

If you choose the stepped premium option, your premium is based on your age, gender and your sum insured. The premium stated on your schedule applies during the first 12 months after your policy commencement date. Ongoing premiums will be recalculated each year based on your age at the time of each policy anniversary. This means your premiums will increase with age.

Level premiums

If you choose the level premium option, your premium is based on your age at your policy commencement date, your gender and your sum insured. If you choose level premiums, ongoing premiums will not increase each year as a direct result of your age but will increase due to any increase to your sum insured, including as a result of the Automatic Indexation Benefit.

If you accept the Automatic Indexation Benefit or apply to increase your sum insured, the increased portion of the sum insured will be calculated based on the applicable premium rate for your age at the time of applying for the increase. If you have had a birthday since your policy commencement date, the premium rate that applies to the increased sum insured will generally be higher than when you applied for the original sum insured.

For Example: Sonia was 62 years of age when she applied for her Suncorp Funeral Insurance policy with a sum insured of $7,000 paying a premium of $38.52 per month.

Sonia has just turned 65 years of age and is applying to increase her sum insured by $3,000 to a total of $10,000. The premium payable for the additional $3,000 will be calculated based on the premium rate for her current age of 65, bringing her total monthly premium to $58.30.

$7,000 - premium calculated on age 62

$3,000 - premium calculated on age 65
8.1 Are you eligible for a discount?

Family Discount

A 20% discount is available for immediate family members who each purchase a Suncorp Funeral Insurance policy (including as joint owners). The discount will apply to the premium payable (please refer to Section 8.2 How to calculate your premium).

Large Sum Insured Discount

A 10% discount is available if you choose the stepped premium option with a sum insured of $20,000 or more.

8.2 How to calculate your premium

When you apply, your premium is based on the applicable premium rate for your gender and current age, multiplied by your sum insured. A discount may also apply.

8.3 Paying your premium

You can choose to pay your premium fortnightly, monthly or annually from the financial institution or credit card you nominate. Your premium and the frequency you have chosen to pay your premium are detailed on your schedule.

You have up to 30 days from the date each premium is due to pay your premium. This period is called the days of grace. If you do not pay a premium within this period, we will send a notice to you at the address last advised to us specifying the date we will cancel the policy without any refund of premium. If you are entitled to claim before the date we cancel the policy, we will pay the benefit that would otherwise be payable on the terms explained in this PDS, less the amount of any unpaid premium. We will not be liable for any claims after the date of cancellation.

If we cancel your policy due to non-payment of premiums, you can contact us to reinstate your policy up to 3 months after the date of cancellation. In order for us to process your reinstatement, all outstanding premiums must be paid by you.

If we accept your reinstatement application and you repay outstanding premiums, cover will continue and your 12 month accident only period under your Funeral Benefit will not restart.

8.4 Taxation

Usually premiums are not tax deductible and any benefit payments are not assessable for tax purposes. These comments are a guide only and do not take into account changes in taxation laws or your particular circumstances. Please ask your tax adviser or the Australian Taxation Office about your own circumstances.
9.0 Risks

You should be aware of the risks involved before buying any life insurance policy. Some of the risks associated with holding this life insurance policy include:

— your policy may not suit your needs; or
— your level of cover may be insufficient.

It’s important that the policy meets your needs both now and in the future. You may need to seek assistance from an adviser if the terms are not consistent with your needs or do not suit your personal circumstances.

11.1 Administration queries and changes

If you have any questions about your policy or you would like to make any changes to your policy, including a change to your level of cover or to your payment type, please contact us (please refer to the back cover for contact details). A change to this policy will only apply if we confirm the change in writing.

During the life of this policy, you cannot assign ownership of this policy to any other person or party. However, if this is a joint life policy, you can convert to single life policies and the insured person will be the policy owner on each policy. If you need to do this, please contact us.

You can apply to increase your cover up to the age of 75. If you wish to apply for an increase to your existing sum insured, the maximum sum insured limits will apply (please refer to Section 4 Details of cover and benefits). With respect to any increased amount, if you die as a result of:

— an accident that occurs prior to the increase;
— a sickness; or
— an intentional self inflicted act
during the first 12 months after we accept your application for increase, no benefit will be payable, however we will refund all premiums paid with respect to the increased amount. Following an increase to your sum insured you will receive a schedule showing your updated policy information.

12.0 Claims

If entitled to make a claim, the policy owner, nominated beneficiary or legal personal representative can contact us on 1800 602 178 and we will then send a claims pack that needs to be completed to our satisfaction and returned to us.

If you have made a valid nomination, which we will confirm with you in writing, we will pay any benefit payable as a consequence of your death in accordance with your nomination.

In order to assess a claim, we can ask for information we might reasonably need and obtain medical and other records to ensure that the terms and conditions of the policy as set out in this PDS are satisfied.

To make a claim under the Funeral Benefit, the surviving policy owner, nominated beneficiary or legal personal representative is required to notify us as soon as reasonably possible after the date of your death. The following information will be required:

- claim form completed by the surviving policy owner, legal personal representative or nominated beneficiary;
- certified copy of the death certificate or other satisfactory evidence;
- certified proof of identity (birth certificate, drivers licence or passport); and
- if there is no joint policy owner and you did not make a valid beneficiary nomination, a certified copy of your will.

To make a claim under the Early Payment Benefit, you are required to notify us as soon as reasonably possible after the date you are terminally ill. The following information will be required:

- claim form completed by you and your medical practitioner; and
- certified proof of identity (birth certificate, drivers licence or passport).
Payment of a benefit under this policy will be subject to relevant legislative requirements being adhered to and, depending upon individual circumstances, additional information may be required by us. The policy owner, nominated beneficiary or legal personal representative will be required to pay for the cost of satisfying these claim requirements, unless we notify you otherwise.

To assess your claim promptly, we need to ensure the information provided to us at the time of application is correct, for example your age. If we have received any false information, we may refuse the claim, adjust the premiums paid by you or the benefit payable by us.

We may refuse the claim if we are disadvantaged by any delay in notifying us of a claim.

All payments are made as a lump sum in Australian currency.

We will not consider any claim, unless the event giving rise to the claim occurred while your policy was in force.
