1.0 Important information

When reading this policy document, please refer to the Glossary on pages 13-15 which shows the meaning of various terms italicised throughout.

For details on How to contact us, please refer to page 12.

This policy document, together with the schedule, constitutes your insurance policy and is evidence of your insurance with us. You should read this document in conjunction with the schedule because together they contain important information relating to your policy. Please keep this policy document and the schedule in a safe place. We have issued this policy to you based on the information provided by you, to us on your application for insurance.

This policy document and your schedule are issued by Suncorp Life & Superannuation Limited ABN 87 073 979 530, AFSL 229880 (Suncorp).

Suncorp Life Protect is not a savings plan. The primary purpose is to provide a benefit under the terms and conditions of the policy in the event of a claimable event.

You are the sole policy owner and insured person listed on the schedule. You are covered for the insured events under your policy 24 hours a day, 365 days a year. If premiums payable under this policy are paid (please refer to Your premium on page 9), your policy will continue until your 99th birthday, unless your policy stops earlier (please refer to When does cover start and stop? on page 4).

From time to time we may also make improvements to your policy with no resulting increase to your premium. If we make a change to your policy which, in your opinion was adverse to you, we will, if you make a claim, assess your claim on the terms of the policy in existence before the change took place.
2.0 Cooling off period

You have 30 days from the policy commencement date to check that this insurance meets your needs. This is the cooling off period.

If you wish, you can cancel your policy during this cooling off period by notifying us in writing or verbally. If you notify us verbally, you will need to answer certain questions to confirm your identity. Provided you have not made a claim, you will receive a refund in full of any money you have paid.

3.0 When does cover start and stop?

Your policy will start on the policy commencement date shown on your schedule, subject to us having received correct payment details.

Your cover will stop on your 99th birthday. Cover will also stop under this policy on the earlier of the following events:

— you ask us to cancel your policy;
— the date your policy is cancelled due to non-payment of outstanding premiums;
— the expiry date as stated on your schedule;
— the date the Terminal Illness Benefit is paid; or
— the date you die.

We will not consider any claim, unless the event giving rise to the claim occurred while your policy was still in force. We may also cancel this policy on any grounds permitted under relevant law by telling you in writing.

4.0 Benefits under this policy

This section outlines the benefits payable under your Suncorp Life Protect policy. You are entitled to all the benefits under Suncorp Life Protect.

Payment of a benefit is subject to our acceptance of your claim (please refer to Claims on page 10). The most we will pay under this Suncorp Life Protect policy is the sum insured. The maximum amount we will pay across all Life Protect policies issued by us for the same insured person is $1,000,000 (plus indexation – please refer to Automatic Indexation Benefit on page 8).
No benefit will be paid under this policy if the event giving rise to the claim is, directly or indirectly, as a result of an intentional self-inflicted act within 13 months of the policy commencement date or the date we confirm reinstatement. Please note that if we accept an increase to your sum insured, the 13 month intentional self-inflicted act exclusion will apply for the increased portion.

4.1 Death Benefit

If you die during the life of your policy, we will pay the sum insured as a lump sum to your nominated beneficiary (if applicable), otherwise to the legal personal representative of your Estate.

We must receive notice of any claim for payment of a Death Benefit as soon as reasonably possible.

The Death Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.2 Terminal Illness Benefit

If you are diagnosed with a terminal illness by a registered doctor during the life of your policy, we will advance your full Death Benefit.

We must receive notice of any claim for payment of a Terminal Illness Benefit as soon as reasonably possible after you have been diagnosed with a terminal illness.

The Terminal Illness Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.3 Funeral Advancement Benefit

If you die during the life of this policy, we will advance $10,000 of the Death Benefit to your primary nominated beneficiary (if applicable), otherwise to the legal personal representative of your Estate. This payment will usually be made within 24 hours of receiving the necessary claim requirements (please refer to Claims on page 10).

The Funeral Advancement Benefit is an advance on your Death Benefit and will therefore reduce the proportion of
your final Death Benefit payable to your primary nominated beneficiary by $10,000. The payment of this Benefit is not an admission of any liability to pay the balance of the Death Benefit.

The Funeral Advancement Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.4 Suncorp Premium Protector Benefit

If you are disabled and unable to work for at least 90 consecutive days due to sickness or injury, we will pay the cost of your personal insurance policies (held in your name and/or in your partner’s name) with Suncorp Insurance for the following 12 months, up to a maximum of $2,000 over the life of your Suncorp Life Protect policy.

The Suncorp Premium Protector Benefit will not be paid if your disability relates to a sickness or injury which you sought or which would cause a reasonable and prudent person to have sought advice or treatment for prior to the later of the policy commencement date or the date we confirm reinstatement.

The Suncorp Premium Protector Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).
4.5 Lifestyle Increase Benefit

You can increase your sum insured each year by $100,000, without having to provide any medical information if you are under the age of 60 and you:

— get married;
— or your partner give birth to or adopt a child;
— have a child starting high school for the first time;
— purchase a home; and/or
— suffer the death of your spouse.

You can also increase your sum insured under this Benefit on your second policy anniversary.

To apply for this Benefit, simply contact us for a Lifestyle Increase Benefit application form.

Subject to the maximum sum insured limits on page 5, you can increase your sum insured using this Benefit up to the value of your original sum insured. For example, if your original sum insured was $400,000, you can increase your sum insured by a further $400,000.

Increases to your sum insured using this Benefit must occur within 30 days of your policy anniversary following the event and they will be offered on the same terms as your original insurance with us. The intentional self-inflicted act exclusion will apply from the date we accept your increase for the increased portion (please refer to Benefits under this policy on page 4).

Once we accept your application, we will confirm your increased sum insured and we will advise you of your new premium.

The Lifestyle Increase Benefit stops on your 60th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).
4.6 Premium Pause Benefit

If you are unable to pay your premiums, you can contact us and request your premium be paused for up to 3 months over the life of the policy. To activate the Premium Pause Benefit, you must have paid premiums for the previous 12 consecutive months and your policy must have no outstanding premium payable at the time of your request.

During the period your premiums are paused, your policy will only cover you in the event you die as a result of an accident. After the premium pause has ended and you have started paying your premiums, you will be eligible for all the benefits under your policy.

The Premium Pause Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.7 Automatic Indexation Benefit

We will automatically increase your sum insured on each policy anniversary by the greater of the indexation factor and 5%. We will recalculate your premium each year to reflect the increase in the sum insured in line with the indexation factor (and the insured person’s age) and we will advise you of your new premium prior to your policy anniversary each year.

You can ask us not to apply the indexation factor to your sum insured. If you request this, your sum insured will not change.

The Automatic Indexation Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).

4.8 Premium Freeze Benefit

You can ask us not to increase the cost of your premium, in which case your future premiums will remain the same as the amount you froze them at resulting in your sum insured decreasing as you get older. We will advise you of your reduced sum insured prior to each policy anniversary. You can ask us to end the premium freeze at any time by contacting us.

The Premium Freeze Benefit stops on your 99th birthday, unless cover stops earlier (please refer to When does cover start and stop? on page 4).
4.9 10% Cash Back Benefit

If you have continuously held this policy for 3 years, we will refund 10% of the premiums you have paid during the previous 3 years. If you continue to hold the policy, we will do this every 3 years after your policy commencement date, for example on your 3rd, 6th, 9th etc policy anniversary.

For example, if you have paid us $1,500 in premiums in the first 3 years since your policy commencement date, we will refund to you $150. If you pay $1,800 in the next 3 years, we will refund to you $180 after the 6th anniversary of your policy commencement date.

5.0 Your premium

Your premium pays for your cover, government fees and charges and administration costs.

The premium you pay is determined by multiplying your sum insured by the applicable premium rate. Your premium rate is based on the following factors: the insured person’s age, gender, smoking status and health. Discounts may also be applied. The premium stated in the schedule applies during the first 12 months after your policy commencement date.

Your premium rate is guaranteed not to change for 12 months from your policy commencement date. After this period, your premium will generally increase each year with age and increases in the sum insured for example, as a result of the Automatic Indexation Benefit (explained on page 8). We will send you a notice prior to each policy anniversary confirming your premium. We can also change the premium rate for all policies of the same kind at any time. In the event we apply an increase to policies of the same kind, we will provide you with at least 30 days’ notice and you will be charged the new premium from your next policy anniversary.

Premiums received are paid into our No. 1 statutory fund. A policy issued in relation to Suncorp Life Protect is not eligible to participate in any surplus arising in our statutory fund.
5.1 Paying your premium

Your premiums are payable from the bank account or credit card you nominate. Your premium and the frequency (fortnightly, monthly or annually) you have chosen to pay your premium is detailed on your schedule.

You have up to 14 days (or 30 days if you pay monthly) from the date each premium is due to pay your premiums. This period is called the days of grace. If you are entitled to claim within the days of grace, we will pay the benefit if otherwise payable on the terms explained in this policy document, less the amount of any unpaid premium.

If your premium remains unpaid during the days of grace, we will send a notice to you specifying the date we will cancel the policy without any refund of premium. If the premium remains unpaid, we will also provide written notice of cancellation to you at the address last advised to us. We will not be liable for any claims after the date of cancellation.

If we cancel your policy due to non-payment of premiums, you can complete an Application for Reinstatement and return it to us for consideration within 12 months of the policy’s cancellation date. In order for us to process your Application for Reinstatement, we can ask for information relating to (but not limited to) your health and all outstanding premiums must be paid by you. If we accept your reinstatement, the 13 month intentional self-inflicted act exclusion will apply from the date of reinstatement.

6.0 Claims

If entitled to make a claim, you, your nominated beneficiaries or legal personal representative can contact us on 1800 604 689 and we will then send a claim pack that needs to be completed to our satisfaction and returned to us.

If you have made a valid nomination, which we will confirm with you in writing, we will pay any benefit payable as a consequence of your death in accordance with your nomination, subject to any relevant terms and conditions which may apply as explained on your Nomination of Beneficiary form.

We may ask for information we might reasonably need and obtain medical and other records to ensure that the terms and conditions of the policy as set out in this policy document are satisfied.
To make a claim under the Suncorp Premium Protector Benefit, you are required to notify us as soon as reasonably possible after the date of your disability. The following information will be required:

— claim form completed by you and your medical practitioner; and
— certified proof of identity (birth certificate, drivers licence or passport).

To make a claim under the Terminal Illness Benefit, you are required to notify us as soon as reasonably possible after the date you are diagnosed with a terminal illness. The following information will be required:

— claim form completed by you and your medical practitioner; and
— certified proof of identity (birth certificate, drivers licence or passport).

To make a claim under the Funeral Advancement Benefit, your legal personal representative or primary nominated beneficiary is required to notify us as soon as reasonably possible after the date of your death. The following information will be required:

— claim form completed by your legal personal representative or primary nominated beneficiary; and
— certified copy of the death certificate or other evidence satisfactory to us.

To make a claim under the Death Benefit, your legal personal representative or nominated beneficiaries are required to notify us as soon as reasonably possible after the date of your death. The following information will be required:

— claim form completed by your legal personal representative or nominated beneficiaries;
— certified copy of the death certificate or other evidence satisfactory to us;
— certified copy of your will to confirm the executor of the estate;
— certified proof of identity (birth certificate, drivers licence or passport); and
— if you did not make a valid beneficiary nomination, a certified copy of Probate or Letters of Administration (whichever is applicable).
Payment of benefits under this policy will be subject to relevant legislative requirements being adhered to and depending upon individual circumstances, additional information may be required by us.

You or your legal personal representative will be required to pay for the cost of satisfying these claim requirements, unless we notify you otherwise.

To assess your claim promptly, we need to ensure the information provided to us at the time of application is correct, for example your age and smoking status. If we have received any false information, we may refuse the claim, adjust the premiums paid by you or the benefit payable by us.

We may refuse the claim if we are disadvantaged by any delay in notifying us of a claim.

All payments are made as a lump sum in Australian currency. We will not consider any claim, unless the event giving rise to the claim occurred while your policy was still in force.
