# How Much Does Suncorp Consumer Credit Insurance for Personal Loans Cost?

## Premiums

The cost of your insurance cover provided by this product will vary depending on the type of cover selected, the amount financed and the term of your Loan Contract. This cost is called your Premium. Your Premium pays for your insurance cover and the cost of setting up and administering your insurance.

The Premium for Suncorp Consumer Credit Insurance for Personal Loans is a once only payment that covers the full term of your Loan Contract and is added to the amount advanced to you. This will then be reflected in a higher loan repayment. All premiums are paid into the Suncorp Life No. 1 Statutory Fund.

Should you pay out your Loan Contract early you will receive a rebate of part of your premium.

## Calculating your Premium

You can calculate your Premium by following three steps:

1. Find out the premium rate for the type of cover you require and the term of your Loan Contract (Refer to the premium rates on page 7)
2. Divide the amount you are borrowing by 1000
3. Multiply the answers to step 1 and 2 to determine the Premium payable for the term of Loan Contract.

### Example

George takes out a Loan Contract for \$15,000 for a term of five years and decides to protect his Loan Contract with Consumer Credit Insurance. He has chosen both Death and Temporary Disability insurance.

To work out the cost of George's insurance:

- |  |            |
|--|------------|
| 1. Select the premium rate for Death and Temporary Disability Cover for a Loan Term of 5 years (60 months) | = \$58.80  |
| 2. The amount of the Loan is \$15,000. Divide \$15,000 by 1000   | = 15       |
| 3. Multiply the answers to step 1 and 2. $\$58.80 \times 15$   | = \$882.00 |

**The cost of George's insurance for the term of his Loan Contract is \$882.00**

Where a Loan Contract is taken in joint names and both choose to effect cover, complete steps 1 to 3 as listed above for both Borrowers.

By adding the answer obtained in step 3 for each Borrower you will be able to determine the total cost of cover. Remember, only one Borrower may elect to effect Temporary Disability cover on a joint Loan Contract.

# What are the Charges?

All the charges for this product are fully described in this section.

Commission is paid to Suncorp Retail Banking which is a division of Suncorp-Metway Ltd for introducing the business. The rate of commission payable is twenty percent (20%) of the Premium.

Commission payable is not an additional cost to you as it is paid from out of the Premium you pay for the insurance.

## Example

In the case of George's cover the commission is calculated as follows:

Cost of George's insurance	=	\$882.00
Commission rate	=	20%
Commission	=	Cost of insurance x Commission rate
	=	\$882.00 x 20%
Commission	=	\$176.40

## Information on Your Insurance

Once Suncorp has received your application and is prepared to offer you cover, you will be issued a Confirmation Advice detailing the specifics of your insurance. The Confirmation Advice which, together with this PDS and your application, form the terms and conditions of your insurance with Suncorp.

Please ensure you read the application, Confirmation Advice and the information contained in this PDS carefully.

You should keep your Confirmation Advice and this PDS in a safe place. You will need to refer to these documents in the event you make a claim.

# Your Duty of Disclosure

Before you become a life insured under a contract of life insurance issued by us, you have a duty, under the Insurance Contracts Act 1984, to disclose to us every matter that you know, or could reasonably be expected to know, that is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

Your duty of disclosure continues to apply until the contract is entered into. It also applies when a contract of life insurance is extended, varied or reinstated.

Your duty, however, does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know, or in the ordinary course of our business, ought to know; or
- as to which compliance with your duty is waived by us.

## Non-disclosure

If you fail to comply with your duty of disclosure and we would not have entered into the contract if the failure had not occurred, we may avoid the contract within 3 years of entering into it.

If your non-disclosure is fraudulent, we may avoid the contract at any time.

We may elect not to avoid the contract but to vary it by:

- (i) reducing the sum insured in accordance with a formula that takes into account the premium that would have been payable if you had complied with your duty of disclosure; or
- (ii) placing us in the position in which we would have been in if you had complied with your duty of disclosure.

The options to vary the contract are available to us while cover under the contract remains in force.

Where the contract provides death cover, we may only apply (i) above and must do so within 3 years of the contract being entered into with us.

As the contract is for insurance of your life, any failure by you to provide information about a matter that you know, or could reasonably be expected to know, that is relevant to our decision whether to give insurance and, if so, on what terms, may be treated as a failure by the policy owner, Suncorp-Metway Limited, to comply with its duty of disclosure.

# Cooling Off Period

Suncorp wants you to be satisfied that you have made the right decision. After you sign-up for cover and Suncorp sends you the confirmation advice, you have 21 days to check that the insurance meets your needs – this is known as the cooling-off period. Within this time you may cancel your insurance without paying any charges.

To cancel your insurance we require you to send to us written confirmation of your request for cancellation.

If your insurance is cancelled within this cooling off period, we will rebate all Premiums to your Loan account.

# Suncorp Consumer Credit Insurance for Personal Loans – Details of Cover

Cover under Suncorp Consumer Credit Insurance is provided by a master policy issued to Suncorp-Metway Ltd by Suncorp Life and Superannuation Limited.

Suncorp Consumer Credit Insurance for Personal Loans provides two levels of cover:

- Death only; or
- Death and Temporary Disability.

Where a Loan Contract is taken in joint names for death cover, each person can be insured. However, only one person can elect to have Death and Temporary Disability cover. The Temporary Disability cover should therefore be included on the person whose income is used to repay the greatest proportion of the Loan Contract payment.

## Eligibility

The following table illustrates the eligibility requirements for the two levels of cover under Suncorp Consumer Credit Insurance for Personal Loans.

Requirement at the time of Application	Death Cover only	Death & Temporary Disability Cover
The applicant must be of generally good health, ie not suffering any serious health problems.	✓	✓
The applicant must not turn 65 years of age before the end of the Loan Contract term.	✓	✓
The applicant must be gainfully employed and working a minimum of thirty (30) hours per week.	X	✓

“✓” means the requirement must be satisfied for the chosen cover

“X” means that this requirement is not applicable for the chosen cover

## Death Cover

In the event of your death, Suncorp shall pay the lesser of:

- the outstanding balance of the Insured Loan (excluding any amounts in arrears at that date); or
- \$60,000.

All death benefit payments will be made directly to the Financier.

## Temporary Disability Cover

If you become Temporarily Disabled, a benefit is payable after the expiration of the Deferment Period. No benefits are paid during or in respect of this period.

The amount of the benefit shall be the minimum monthly repayment due at the time of claim, for each full month of Temporary Disability or 1/30th of such repayments for each day you are entitled to benefits for less than one month. All benefit payments will be made directly to the Financier.

Where you are Temporarily Disabled and you receive, or become entitled to receive, any income from any source, if this income when added to the Temporary Disability benefit is greater than your monthly income immediately before your Temporary Disablement, the benefit payable may be altered or reduced for that month.

### Example

Andrew's monthly income prior to becoming disabled is \$2,000.00.

Whilst disabled Andrew will receive a monthly income of \$1,700.00

If Andrew's minimum monthly repayment is less than \$300, a benefit is payable.

If Andrew's minimum monthly repayment is greater than \$300, then the maximum benefit payable is \$300.

Benefit payments under Temporary Disability will cease on the earlier of:

- you ceasing to be Temporarily Disabled; or
- the Loan Contract being fully repaid (excluding any arrears or penalty charges for late repayments that were incurred prior to the date of Temporary Disability).

Following is a summary of the important benefit limits on this policy.
