Rates below are net of investment fees and tax only. The special bonus rate is applied to your 30 June balanced invested in the Suncorp Traditional Capital Guaranteed Fund (including declared interest for the period 4 December 2016 to 30 June 2017). The interim rate applies to full withdrawals and switches from 1 July 2017. Please refer to the Suncorp Brighter Super Product Guide for more information.

	Declared rate		Special bonus	Interim rate

Pension	5.62%		0.80%	4.00%

NOTES:

Past performance should not be taken as an indication of future performance.

'n/a' means no monies were invested during this period, so no performance is provided.

We calculate investment performance using the withdrawal unit price for each investment option in accordance with industry standards. Investment performance is calculated net of taxes, levies and fees such as the investment fee, the investment performance fee, the administration fee and the expense recovery fee. However when calculating investment performance we do not take into account contributions taxes, withdrawal fee and any discretionary ongoing fees such as insurance fees and personal advice fees.

Suncorp Brighter Super for business members - Investment performance shown is net of all fees applicable to a member with a \$10,000 account balance, including the \$78 pa administration fee (MySuper business members only). If you have made an investment selection and your account balance is greater than \$20,000, then the \$78 fee does not apply and the performance of your investment will be greater than that shown above. You will also receive a discount on the percentage administration fee if your plan's balance is greater than \$100,000 and the performance of your investment will be greater than that shown above.

~ Where an investment option has less than one year of performance data, the 'since inception' performance figure reported is the actual return the fund has achieved to date (therefore, short-term performance).
