**Rates for Asteron Traditional Capital Guaranteed Fund (closed to new members)**

Rates below are net of investment fees and tax only. The special bonus rate is applied to your 30 June balance invested in the Suncorp Traditional Capital Guaranteed Fund (including declared interest for the period 1 July 2018 to 30 June 2019). The interim rate applies to full withdrawals and switches from 1 July 2020 and is also used to calculate investment performance (net of all fees and taxes) for this option. Please refer to the Suncorp Brighter Super Product Guide for more information.

	Declared rate		Special bonus	Interim rate*		
	Start date	End date		Start date	Start date	Start date
	01-Jul-18	30-Jun-19		01-Jul-19 to 31-Mar-20	31-Mar-20 to 30-Jun-2020	01-Jul-20 onwards
<b>Super</b>	2.80%		0.81%	2.50%	0.00%	0.90%
<b>Pension</b>	3.20%		0.90%	2.80%	0.00%	1.00%

**Disclaimer:**

\* Due to market volatility in early 2020 the interim rate was reduced to 0.00% on 31 March 2020. This means that any withdrawals or switches made after 31 March 2020 through to 30 June 2020 received the interim rate of 0.00%. Any investment fees reported by Asteron exclude income tax and GST considerations.

**NOTES:**

Past performance should not be taken as an indication of future performance.  
'n/a' means no monies were invested during this period, so no performance is provided.

We calculate investment performance using the withdrawal unit price for each investment option in accordance with industry standards. Investment performance is calculated net of fees, costs and taxes, such as the investment fee, the investment performance fee, the administration fee and applicable indirect costs. However, when calculating investment performance we do not take into account contributions taxes, withdrawal fee and any discretionary ongoing fees such as insurance fees and personal advice fees or other arrangements you may have in place with your advisor. For the externally branded investment options (i.e. non-Suncorp branded investment options), from time to time the investment fees, indirect costs, estimated transaction costs and buy/sell spreads may change and these changes will be reflected in the report above.

Borrowing costs for the 12 months to 30 June 2020 were incurred by the following investment options:

- Morningstar Conservative Fund 0.01%
- Morningstar Moderate Fund 0.01%
- Morningstar Balanced Fund 0.01%
- Morningstar Growth Fund 0.02%
- Morningstar High Growth Fund 0.01%
- Suncorp Global Fixed Interest Fund 0.01%
- BlackRock Tactical Growth Fund 0.06%

Investment performance shown is net of all fees applicable to a member with a \$50,000 account balance, including the \$91.80 pa administration fee (MySuper business members only). If you have made an investment selection and your account balance is greater than \$20,000, then the \$91.80 fee does not apply and the performance of your investment will be greater than that shown above. You will also receive a discount on the percentage administration fee if your plan's balance is greater than \$100,000 and the performance of your investment will be greater than that shown above.

~ Where an investment option has less than one year of performance data, the 'since inception' performance figure reported is the actual return the fund has achieved to date (therefore, short-term performance).

- (1) Effective 31 August 2017, the BlackRock Wholesale Balanced Fund was renamed the BlackRock Tactical Growth Fund.
- (2) Effective 30 September 2017, the Suncorp Traditional suite of funds changed to Suncorp Multi-Manager funds.
